Such requests for services shall be documented through a separate document (hereinafter referred to as a "Delivery Release"). Each Delivery Release will constitute an amendment to this Contract, subject to the terms and conditions set forth in this Contract, and shall include a description of the project assignment, scope of services, schedule and term, and compensation specific to the Delivery Release which shall be negotiated at the time of such Delivery Release. Any work completed by Contractor without a Delivery Release will not be paid for by TFC.

The defaulting Contractor will not be considered in the resolicitation and may not be considered in future solicitations for the same type of work, unless the scope of work is significantly changed.

(b.) Termination without Default. TFC may, at its sole option and discretion, terminate this Contract at any time, for any reason whatsoever, in whole or in part, by giving written notice (the "Notice of Termination") to Contractor at least thirty (30) days prior to the effective date of

In addition, if Contractor is required to deliver and perform under more than one (1) Corrective Action Plan within any period of twelve (12) continuous months during the term of this Contract, and regardless of whether or not Contractor successfully completes such Correction Action Plans, TFC may consider such conduct to amount to Contractor's continuing material nonperformance of services under this Contract. In such an event, TFC shall be entitled to avail itself of one or more of the following remedies at TFC's sole discretion:

- (i.) TFC's removal of one or more facilities from the scope of this Contract;

Contractor acknowledges and understands that the acceptance of funds under this Contract shall constitute consent to an audit by the State Auditor, Comptroller or other agency of the State of Texas. Contractor shall ensure that this paragraph concerning the State's authority to audit funds received indirectly by subcontractors through Contractor and the requirement to cooperate is included in any subcontract it awards. Furthermore, under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the State Auditor must provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit.

Contractor may request that TFC seek an opinion from the Office of the Texas Attorney General. However, the final decision whether to seek a ruling from the Office of the Texas Attorney General will be made by TFC in its sole discretion to comply with the legal requirements of the Texas Public Information Act. Additionally, Contractor will notify TFC's general counsel within twenty-four (24) hours of receipt of any third-party requests for information written, produced, collected, assembled, or maintained in connection with this Contract and/or any amendment to this Contract. A partial settlement or resolution of a claim does not waive a party's rights as to the parts of the claim that are not resolved.

(d.) Mediation. Before the one hundred twentieth (120th) day after the date the claim is filed with TFC and before the expiration of any extension of time mutually agreed upon, the parties may agree to mediate a claim made under this Contract. TFC's administrative rules located at Title I, Part 5, Section 111.31 of the Texas Administrative Code apply to this Contract and govern the mediation of any dispute arising from this Contract.

(e.) Adjudication. On or after the two hundred seventieth (270th) day following the date the claim is filed with TFC, unless the parties agree in writing to an extension of time, CMR may adjudicate any claim in accordance with and to the extent permitted under the Texas Civil Practice and Remedies Code, Chapter 114 or the Texas Government Code, Chapter 2260.

(f.) **Payment of Claims.** In accordance with the Texas Civil Practice and Remedies Code, Section 114.011, TFC may pay a claim resolved under this Section 12.11 only from money appropriated to it for payment of contract claims or for payment of the contract that is the subject of the claim. If money previously appropriated for payment of contract claims or payment of the contract is insufficient to pay the claim or settlement, the balance of the claim may be paid only from money appropriated by the legislature for payment of the claim. Chapter 304 of the Texas Finance Code applies to a judgment awarded to a claimant except that the applicable rate of interest may not exceed six percent (6%). Consistent with the Texas Civil Practice and Remedies Code, Section 114.011, property owned by the State or any unit of state government is not subject to seizure, attachment, garnishment, or any other creditors' remedy to satisfy a judgment on a breach of contract claim.

(g.) **Representation of TFC.** The Office of the Attorney General of Texas shall defend TFC in any proceeding or adjudication conducted in conjunction with a claim brought under this Section 12.11.

10.17. **COUNTERPARTS.** This Contract may be executed in any number of counterparts, each of which shall be an original, and each such counterpart shall together constitute but one and the same agreement.

10.18. **NO WAIVER.** Nothing in this Contract shall be construed as a waiver of sovereign immunity by the State of Texas. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. TFC does not waive any privileges, rights, defenses, or immunities available to TFC by entering into this Contract or by its conduct prior to or subsequent to entering into this Contract.

10.19. **FALSE STATEMENTS; BREACH OF REPRESENTATIONS.** By signature to this Contract, Contractor makes all the representations, warranties, guarantees, certifications and affirmations included in this Contract. If Contractor signs this Contract with a false statement or it is subsequently determined that Contractor has violated any of the representations, warranties, guarantees, certifications or affirmations included in this Contract, Contractor shall be in default under this Contract, and TFC may terminate or void this Contract for cause and pursue other remedies available to TFC under this Contract and applicable law.

10.20. **SURVIVAL OF TERMS.** Termination of the Purchase Order for any reason shall not release Vendor from any liability of obligation set forth in the Purchase Order that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution and invoice and verification.

10.21. **ENTIRE CONTRACT & MODIFICATION.** This Contract and its integrated attachment(s) constitute the entire agreement of the parties and such are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that

may have been made in connection with the subject matter hereof. Unless an integrated attachment to this Contract specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language between any such attachment and this Contract shall be construed consistently with the terms of this Contract. Unless otherwise expressly authorized by the terms of this Contract, no modification, renewal, extension or amendment to this Contract shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto.

Introduction

Texas Facilities Commission (TFC) has implemented new security procedures. Personnel and TFC contractors & subcontractors, who work in case-sensitive areas, may be required to submit to a criminal history background check. In addition, U.S. Law requires companies to employ only individuals who may legally work in the United States; therefore employers must verify and show proof that employees are authorized to work. This package will begin the process for employers to authorize its employees to work for TFC.

Criminal History Criteria

Employers should use the following criminal history criteria when hiring employees to perform work for TFC. Any employee failing to meet the minimum standard will be denied. If special circumstances exist, please contact the TFC representative for clarification.

Contractor Screening Criteria

A conviction or deferred adjudication for one of the following offenses will result in the **permanent disqualification** of a person from eligibility to provide contractual services with Texas Facilities Commission:

- 1) any act causing death as defined in Texas Penal Code;
- 2) any felony or misdemeanor involving Arson, Burglary, Breach of Computer Security, Credit Card Abuse, Counterfeiting, Forgery, Kidnapping, Robbery, Stalking, Terroristic Threat, Theft, and any sexual offense designated as a felony in Texas Penal Code;

Additionally, anyone who has a current duty to register as a sex offender, is under indictment or is a fugitive from justice is disqualified.

For individuals who have a conviction or deferred adjudication for felonies not enumerated above, 10 years must have passed from the time of disposition or discharge of probation in order for that person to be eligible to provide contractual services with the Texas Facilities Commission

For individuals who have a misdemeanor conviction or deferred adjudication for misdemeanors not enumerated above, 5 years must have passed from the time of disposition or discharge of probation in order for that person to be eligible to provide contractual services with the Texas Facilities Commission

FINGERPRINT APPLICANT SERVICES OF TEXAS, F.A.S.T.

The Department of Public Safety has entered into an exclusive contract with L-I Enrollment Services to provide statewide electronic fingerprinting. The goal of the Fingerprint Applicant Services of Texas (F.A.S.T.) Program is to provide convenient applicant fingerprinting services throughout the state of Texas. L-I Enrollment Services is committed to a 98% classifiable rate which means quality prints, less rejections, and quick responses. Appointments are available by scheduling on-line at www.LIenrollment.com or by calling 1-888-467-2080. The cost of this service is \$9.95 plus a \$34.25 fee for the State and National Criminal History Record Information. You may pay for F.A.S.T. services online with a credit card or onsite with a check or money order made payable to L-I Enrollment Services only. Cash is not accepted!

Here is how to get started:

1. You must obtain a FAST Pass from Texas Facilities Commission (located in forms C-1). This pass will contain all necessary instructions and information to schedule your fingerprint appointment.
2. You will need to schedule an appointment by logging on to the L-I Enrollment Services website, www.LIenrollment.com or by calling 1-888-467-2080. If you are scheduling by phone, please request an "Electronic Fingerprint Submission" appointment.

When scheduling an appointment you will be prompted by L-I Enrollment Services for the following additional personal data: Date of Birth, Sex, Race, Ethnicity, Skin Tone, Height, Weight, Eye Color, Hair Color, Place of Birth and Home Address. Requested data is required by the Texas Department of Public Safety to process your background check.

3. Please complete the necessary fields on the FAST Pass, bring your completed pass and valid State Issued Identification. During your Fingerprint appointment you will be prompted for Social Security Number and Driver License Number. You are also required to have your photograph taken at the time of your appointment. Requested data is required by the Texas Department of Public Safety to process your background check.
4. Once you have completed your appointment you will be provided with a signed receipt which includes your Tracking Control Number (TCN), please retain this receipt for your records.

Your fingerprints, demographic information, and photograph will be sent to the Department of Public Safety and the Federal Bureau of Investigation for process. Criminal History Record Information based upon your submission will be provided to the requesting agency.

If you have any questions regarding the F.A.S.T. processes, please feel free to contact the Fingerprint Services Unit at fingerprint.service@dps.texas.gov or (512) 424 – 2365, Option 6.

A TFC representative will view criminal history information from DPS to determine if employee's clearance is accepted or denied. TFC will notify employer about the status of employee. The employee can submit a request to DPS to view their criminal history.

Employers must ensure that all employees are legally able to work in the United States. Employees must be a U.S. citizen or a foreign citizen who have the necessary authorization. Employers shall use E-Verify to check the status of employees. E-Verify is fast, free and easy to use. Employer will set up an account and go through the process. Employer must provide TFC with documentation the employee is authorized to work.

The Verification Process

Overview of the Verification Process

Using E-Verify to verify the employment eligibility of employees is a three-step process.

Create a Case

Before an employer can create a case in E-Verify, both the employer and employee must complete the Employment Eligibility Verification form (Form I-9). All U.S. employers, regardless of whether they participate in E-Verify must complete Form I-9 no later than 3 business days after the employee begins work for pay. Information about the employee from Form I-9 then serves as the foundation for an E-Verify case, which must be created also no later than 3 business days after the employee begins work for pay.

E-Verify guides the employer through a series of questions, which follow Form I-9, beginning with the employee's citizenship attestation, document type(s), then biographical information including name, date of birth, Social Security number and Alien or I-94 number (if a noncitizen). In some cases, the document number and expiration date are also required.

If E-Verify cannot initially match the information, the employer will be prompted to review and correct the information if necessary. Otherwise, E-Verify will display an initial response within three to five seconds.

Get Results

In most cases, E-Verify will instantly verify the employee's work authorization. If E-Verify returns an "Employment Authorized" response, the employer can continue to the last step in the verification process and close the case.

Sometimes, E-Verify cannot immediately confirm the employee's work authorization and may require the employer or the employee to take action. In these cases, the employer will see one of the following responses on the employee's verification results screen:

- **DHS Verification in Process:** Sometimes, E-Verify's automated search of government records cannot immediately verify employment authorization, and a manual search is required. In this case, E-Verify will return a "DHS Verification in Process" response. The employer must check E-Verify until the employee's case is updated, which usually happens within 24 hours, though it may take as long as three business days. When the employee's case is updated, E-Verify will return either an "Employment Authorized" or "Tentative Nonconfirmation" response.
- **Tentative Nonconfirmation:** If the employee information does not match government records, the employer will see a tentative nonconfirmation (TNC) response. Visit the "Tentative Nonconfirmation" page in this section for more information.

To prevent unnecessary TNCs, the employer must carefully review all entered information for accuracy. Should the employer have made a typographical error or entered incorrect data, the employer should close the case and create a new case for the employee with the correct information.

- **Note: Employer will need to print verification and submit to TFC Representative.**

Close the Case

All E-Verify cases must be closed by the user in E-Verify when a final verification result is received, regardless of the result. Closing cases is very important because it helps E-Verify maintain statistics on program usage and outcomes.

E-Verify will ask if the employee is still working for the employer and will then instruct the employer to choose the reason why the case is being closed. Once the case is closed, the employer must either record the case verification number on the employee's Form I-9 or print the case details and keep it on file with the employee's Form I-9.

PROCEDURES FOR FINGERPRINT REJECTIONS ELECTRONIC FINGERPRINT SUBMISSIONS

The Department of Public Safety will notify L-1 Enrollment Services when an applicant's fingerprints are rejected by either DPS or the FBI, regardless of the purpose and/or agency the fingerprints were submitted for. L-1 Enrollment Services will contact the applicant by telephone and by letter to notify the applicant of the rejected prints and schedule an appointment to have the fingerprints re-taken. There is no additional cost for having their fingerprints rolled again; often the applicant will disregard contact attempts from L-1 Enrollment Services because they are not DPS or the requesting agency.

DPS REJECTS

When an applicant's fingerprints are rejected for the first time on the DPS level their fingerprints are not submitted to the FBI. The requesting agency is notified of the rejection through Consolidated Response. Upon the second submission of fingerprints, whether the prints are rejected or deemed classifiable by DPS, they are sent to the FBI for process. The applicant has one year from the date of the last rejected fingerprint submission to complete the fingerprint based criminal history process. After one year, a new set of fingerprints and all fees must be resubmitted.

FBI REJECTS

The requesting agency is notified of the FBI rejection through Consolidated Response. Upon the second FBI rejection, it is the responsibility of the agency to request criminal history information based upon the applicant's name and date of birth from the FBI directly. The requesting agency has 90 days from the date of the last rejected fingerprint submission to request the results from the FBI. After the 90th day, a new set of fingerprints and all fees must be resubmitted.

QUESTIONS

If you have any questions regarding the electronic fingerprint rejection process please contact the Fingerprint Services Unit at fingerprint.service@dps.texas.gov or (512) 424-2365, option 6.

CRIMINAL HISTORY ERROR RESOLUTION

The Error Resolution Unit (ER) is responsible for updating and evaluating possible errors in criminal history records. Potential errors are reported to ER by law enforcement, judicial agencies, as well as private citizens.

Requests Made by Applicants:

If an **applicant** needs to request that a criminal history record be updated or corrected, the applicant will need to supply certified documents to the Error Resolution Unit. Required forms and additional information to assist your applicant in retrieving the proper documentation to submit their requests to the Error Resolution Unit can be found at:

***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

HUB SUBCONTRACTING PLAN (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation)

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.13 are:

- 11.2 percent for heavy construction other than building contracts,
- 21.1 percent for all building construction, including general contractors and operative builders contracts,
- 32.7 percent for all special trade construction contracts,
- 23.6 percent for professional services contracts,
- 24.6 percent for all other services contracts, and
- 21 percent for commodities contracts.

- - Agency Special Instructions/Additional Requirements - -

In accordance with 34 TAC §20.14(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only contracts that have been in place for five years or less shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.

- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <http://www.window.state.tx.us/procurement/prog/hub/hub-forms/progressassessmentrpt.xls>).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.

HUB Subcontracting Opportunity Notification Form

In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in Section B has determined that subcontracting opportunities are probable under the requisition to which my company will be responding

34 Texas Administrative Code, §20.14 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more minority or women trade organizations or development centers at least seven (7) working days prior to submitting its bid response to the contracting agency.

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in Section C, Item 2, reply no later than the date and time identified in Section C, Item 1. Submit your response to the point-of-contact referenced in Section A.
