

**INTERLOCAL COOPERATION CONTRACT  
BETWEEN  
TEXAS FACILITIES COMMISSION  
AND  
COLLIN COUNTY, TEXAS**

This Interlocal Cooperation Agreement (“Agreement”) is entered into by and between the STATE OF TEXAS, acting by and through the Texas Facilities Commission (the “State” or “TFC”) and COLLIN COUNTY, TEXAS (“County”), pursuant to the provisions of the Interlocal Cooperation Act, Texas Government Code, Chapter 791 (Vernon 2012 & Supp. 2014).

**SECTION I. SERVICES**

1.01. **SCOPE OF SERVICES.** (a) TFC and the County agree that the purpose of the Agreement is to accomplish a common goal of the parties to accept and contract for the sale/disposal of the County’s forfeited property by TFC through the State Surplus Property Program. “County Forfeited Property” means any surplus property, including gambling equipment, received from the Collin County Commissions Court under Section 263.152(a)(5) of the Texas Local Government Code. Upon the identification of County Forfeited Property, TFC will make arrangements to have such property delivered to a location designated by TFC. Upon receipt, TFC will tag, or cause to be tagged, the County Forfeited Property as being received from the County, record the items with an inventory number in accordance with Section 1.01 (b) below, and store the property in the location designated by TFC until the County Forfeited Property is sold to a qualified purchaser as defined in Texas Government Code 2175.904(b).

(b) At the time of delivery of the County Forfeited Property, TFC will price the County Forfeited Property item(s) at fair market value as it does with all other State surplus property. In determining the fair market value of the County Forfeited Property, TFC will consider an item’s condition (damaged, inoperable, worn, new or used), usefulness, and marketability. County Forfeited Property will be sold via internet auction to the highest bidder at the time the auction ends.

(c) When TFC accepts and tags the transferred County Forfeited Property, TFC will record the item in the TFC Inventory System. The amount that the County earns will be seventy percent (70%) of the net proceeds.

1.02. **FORFEITED PROPERTY.** County Forfeited Property transferred to TFC to be sold will be treated the same as State surplus property and will be re-issued or sold “as-is” and “where-is” with no express or implied warranties and with a receipt issued to the purchaser by TFC or designee releasing both the County and TFC of all liability for any and all defects and with appropriate indemnification language to protect TFC and the County from third party claims.

1.03. **APPLICABLE LAWS.** TFC shall be responsible for compliance with any additional or varying laws and regulations regarding the storage and sale of County Forfeited Property.

## SECTION II. CONSIDERATION AND RECONCILIATION

2.01. **CONTRACT AMOUNT.** For consideration for the services provided to the County by TFC for the sale of County Forfeited Property, TFC will remit to the County ~~no more than~~ <sup>not less than</sup> seventy percent (70%) of net proceeds, as set forth in Section 1.01(c) above. Net proceeds from the sale of County Forfeited Property may be distributed as it occurs but no more frequently than twice a month covering the first (1<sup>st</sup>) through the fifteenth (15<sup>th</sup>), and the sixteenth (16<sup>th</sup>) through the end of the month. As such, County will be compensating TFC for performance of services as set out in this Agreement with funds currently available to the County, in compliance with Section 791.011(d)(3) of the Texas Local Government Code.

## SECTION III. AGREEMENT TERM

3.01. **TERM.** The initial term of this Agreement shall commence as of the date executed by the last party and end on August 31, 2019, unless terminated earlier in accordance with Section 3.04.

3.02. **DISPUTE RESOLUTION.** The parties agree to use good-faith efforts to decide all questions or disputes of any nature that may arise under or by this Agreement; however, nothing in this paragraph shall preclude either party from pursuing any remedies as may be available under Texas law.

3.03. **DEFAULT.** A party to this Agreement shall be in default under this Agreement if the party fails to fully, timely, and faithfully perform any of its material obligations under the Agreement, and following notice of default as provided in Section 3.04, fails to timely cure the alleged default as provided such section.

3.04. **TERMINATION.** In the event of default by a party, the other party shall have the right to terminate the Agreement for cause, by written notice delivered to the party alleged to be in default via certified mail. The notice shall be effective within thirty (30) days, unless otherwise specified, after the date of receipt of such notice. During this time period, the party alleged to be in default may cure the event of default or provide evidence sufficient to prove to the other party's reasonable satisfaction that such default does not exist or will be cured in a time satisfactory to the party alleging the default. Each party's rights and remedies under the Agreement are cumulative and are not exclusive of any other right or remedy provided by law.

3.05. **TERMINATION WITHOUT CAUSE.** Either party may terminate this Agreement upon one hundred twenty (120) days prior written notice to the other. Early termination will be subject to an equitable settlement of the respective interests of the parties accrued up to the date of termination.

## SECTION IV. FUNDING

4.01. **NO DEBT.** This Agreement shall not be construed as creating any debt on behalf of the State of Texas and the Texas Facilities Commission in violation of TEX. CONST. Art. III, § 49. Furthermore, this Agreement shall not be construed as creating a debt on behalf of the County in violation of Tex. Const. Art. 11 § 5. In compliance with TEX. CONST. Art. VIII, § 6, it is understood

that all obligations of TFC hereunder are subject to the availability of state funds. If such funds are not appropriated or become unavailable, this Contract may be terminated. In that event, the parties shall be discharged from further obligations, subject to the equitable settlement of their respective interests accrued up to the date of termination.

The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed, provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, strike, fires, explosions, or other causes that are beyond the reasonable control of either party and that by exercise or due foresight, such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome force majeure.
