Additionally, Contractor shall notify TFC's general counsel within twenty-four (24) hours of receipt of any third-party requests for information written, produced, collected, assembled, or maintained in connection with this Contract and/or any amendment to this Contract. This Contract and/or any amendment to this Contract and all data

7.05 **NO LITIGATION WARRANTY.** Contractor represents and warrants that it is not a party to or otherwise substantively involved in any matter involving litigation, or any administrative or regulatory proceeding, which, if decided adversely to Contractor's interests, could be reasonably expected to adversely affect Contractor's ability to fully and timely perform all of its obligations under this Contract. Contractor agrees that in the event any action, event or circumstance occurs, that could be reasonably expected to adversely affect Contractor's ability to fully and timely perform all of its obligations under this Contract, Contractor shall provide written notice to TFC of such action, event or circumstance, and shall continue to update TFC in writing every thirty (30) days thereafter of the status of the action, event or circumstance, until otherwise directed by TFC.

VIII. INSURANCE, INDEMNIFICATION AND LEGAL OBLIGATIONS.

8.01. **INSURANCE.** Prior to the commencement of work under this Contract, Contractor agrees to carry and maintain insurance in the following types and amounts for the duration of this Contract, to furnish certificates of insurance, and make available copies of policy declaration pages and policy endorsements as evidence thereof:

(v.) Waiver of Transfer Right of Recovery Against Others in favor of TFC.

(c.) Business Automobile Liability Insurance for all owned, non-owned and hired vehicles with a minimum combined single limit of \$500,000.00 per occurrence for bodily injury and property damage. Alternate acceptable limits are \$250,000.00 bodily injury per person, \$500,000.00 bodily injury per occurrence and at least \$100,000.00 property damage liability per accident. (iii.) That the "other" insurance clause shall not apply to the State where TFC is an additional insured shown on the policy. It is intended that policies required in this Contract, covering both TFC and Contractor, shall be considered primary coverage as applicable.

(g.) TFC shall be entitled, upon request and without expense, to receive copies of policies and endorsements thereto and may make any reasonable requests for deletion or revision or modification of particular policy terms, conditions, limitations, or exclusions except where policy provisions are established by law or regulations binding upon either of the parties hereto or the underwriter on any such policies and if such request for deletions, revisions, or modifications are commercially available.

Contractor irrevocably waives any objection, including any objection to personal jurisdiction or proper venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the filing of any action or proceeding in such jurisdiction in respect of this Contract or any document related hereto. **Nothing in this section shall be construed as a waiver of sovereign immunity by TFC.**

10.11. **SEVERABILITY.** If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

10.12. **PROPER AUTHORITY.** The parties hereto represent and warrant that the person executing this Contract on behalf of each party has full power and authority to enter into this Contract. Contractor acknowledges Contract is effective for the period of time specified in the Contract. Any services performed by Contractor before this Contract is effective or after it ceases to be effective are performed at the sole risk of Contractor.

10.13. **FORCE MAJEURE.** Any delays in or failure of performance by either party, except in respect of the obligation of payments under this Contract, shall not constitute default hereunder if and to the extent such delays or failure of performance are caused by occurrence(s) beyond the reasonable control of the party affected, and which by the exercise of due diligence such party is unable to prevent, herein called "Force Majeure" including acts of God or the public enemy, sabotage, war, mobilization, revolution, civil unrest, riots, strikes, lockouts, fires, accidents breakdowns, or floods, earthquakes, hurricanes or any other natural disaster or governmental actions. 10.15. **DISPUTE RESOLUTION.** The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used by the parties to attempt to resolve all disputes arising under this Contract.

10.16. **COUNTERPARTS.** This Contract may be executed in any number of counterparts, each of which shall be an original, and each such counterpart shall together constitute but one and the same agreement.

This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppels. TFC does not waive any privileges, rights, defenses, or immunities available to TFC by entering into this Contract or by its conduct prior to or subsequent to entering into this Contract.

10.18. **FALSE STATEMENTS; BREACH OF REPRESENTATIONS.** By signature to this Contract, Contractor makes all the representations, warranties, guarantees, certifications and affirmations included in this Contract. If Contractor signs this Contract with a false statement or it is subsequently determined that Contractor has violated any of the representations, warranties, guarantees, certifications or affirmations included in this Contract, Contractor shall be in default under this Contract, and TFC may terminate or void this Contract for cause and pursue other remedies available to TFC under this Contract and applicable law.

Unless otherwise expressly authorized by the terms of this Contract, no modification, renewal, extension or amendment to this Contract shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto.

Introduction

Texas Facilities Commission (TFC) has implemented new security procedures. Personnel and TFC contractors & subcontractors, who work in case-sensitive areas, may be required to submit to a criminal history background check. In addition, U.S Law requires companies to employ only individuals who may legally work in the United States; therefore employers must verify and show proof that employees are authorized to work. This package will begin the process for employers to authorize its employees to work for TFC.

Criminal History Criteria

Employers should use the following criminal history criteria when hiring employees to perform work for TFC. Any employee failing to meet the minimum standard will be denied. If special circumstances exist, please contact the TFC representative for clarification.

Contractor Screening Criteria

A conviction or deferred adjudication for one of the following offenses will result in the **permanent disqualification** of a person from eligibility to provide contractual services with Texas Facilities Commission:

- 1) any act causing death as defined in Texas Penal Code;
- 2) any felony or misdemeanor involving Arson, Burglary, Breach of Computer Security, Credit Card Abuse, Counterfeiting, Forgery, Kidnapping, Robbery, Stalking, Terroristic Threat, Theft, and any sexual offense designated as a felony in Texas Penal Code;

Additionally, anyone who has a current duty to register as a sex offender, is under indictment or is a fugitive from justice is disqualified.

For individuals who have a conviction or deferred adjudication for felonies not enumerated above, 10 years must have passed from the time of disposition or discharge of probation in order for that person to be eligible to provide contractual services with the Texas Facilities Commission

For individuals who have a misdemeanor conviction or deferred adjudication for misdemeanors not enumerated above, 5 years must have passed from the time of disposition or discharge of probation in order for that person to be eligible to provide contractual services with the Texas Facilities Commission

Employer Guidelines

FINGERPRINT APPLICANT SERVICES OF TEXAS, F.A.S.T.

The Department of Public Safety has entered into an exclusive contract with L-1 Enrollment Services to provide statewide electronic fingerprinting. The goal of the Fingerprint Applicant Services of Texas (F.A.S.T.) Program is to provide convenient applicant fingerprinting services throughout the state of Texas. L-1 Enrollment Services is committed to a 98% classifiable rate which means quality prints, less rejections, and quick responses. Appointments are available by scheduling on-line at www.L1enrollment.com or by calling 1-888-467-2080. The cost of this service is \$9.95 plus a \$34.25 fee for the State and National Criminal History Record Information. You may pay for F.A.S.T. services online with a credit card or onsite with a check or money order made payable to L-1 Enrollment Services only. Cash is not accepted!

Here is how to get started:

1. You must obtain a FAST Pass from Texas Facilities Commission (located in forms C-1). This pass will contain all necessary instructions and information to schedule your fingerprint appointment.
2. You will need to schedule an appointment by logging on to the L-1 Enrollment Services website, www.L1enrollment.com or by calling 1-888-467-2080. If you are scheduling by phone, please request an "Electronic Fingerprint Submission" appointment.

When scheduling an appointment you will be prompted by L-1 Enrollment Services for the following additional personal data: Date of Birth, Sex, Race, Ethnicity, Skin Tone, Height, Weight, Eye Color, Hair Color, Place of Birth and Home Address. Requested data is required by the Texas Department of Public Safety to process your background check.

3. Please complete the necessary fields on the FAST Pass, bring your completed pass and valid State Issued Identification. During your Fingerprint appointment you will be prompted for Social Security Number and Driver License Number. You are also required to have your photograph taken at the time of your appointment. Requested data is required by the Texas Department of Public Safety to process your background check.
4. Once you have completed your appointment you will be provided with a signed receipt which includes your Tracking Control Number (TCN), please retain this receipt for your records.

Your fingerprints, demographic information, and photograph will be sent to the Department of Public Safety and the Federal Bureau of Investigation for process. Criminal History Record Information based upon your submission will be provided to the requesting agency.

If you have any questions regarding the F.A.S.T. processes, please feel free to contact the Fingerprint Services Unit at fingerprint.service@dps.texas.gov or (512) 424 – 2365, Option 6.

A TFC representative will view criminal history information from DPS to determine if employee's clearance is accepted or denied. TFC will notify employer about the status of employee. The employee can submit a request to DPS to view their criminal history.

Employers must ensure that all employees are legally able to work in the United States. Employees must be a U.S. citizen or a foreign citizen who have the necessary authorization. Employers shall use E-Verify to check the status of employees. E-Verify is fast, free and easy to use. Employer will set up an account and go through the process. Employer must provide TFC with documentation the employee is authorized to work.

The Verification Process

Overview of the Verification Process

Using E-Verify to verify the employment eligibility of employees is a three-step process.

Create a Case

Before an employer can create a case in E-Verify, both the employer and employee must complete the Employment Eligibility Verification form (Form I-9). All U.S. employers, regardless of whether they participate in E-Verify must complete Form I-9 no later than 3 business days after the employee begins work for pay. Information about the employee from Form I-9 then serves as the foundation for an E-Verify case, which must be created also no later than 3 business days after the employee begins work for pay.

E-Verify guides the employer through a series of questions, which follow Form I-9, beginning with the employee's citizenship attestation, document type(s), then biographical information including name, date of birth, Social Security number and Alien or I-94 number (if a noncitizen). In some cases, the document number and expiration date are also required.

If E-Verify cannot initially match the information, the employer will be prompted to review and correct the information if necessary. Otherwise, E-Verify will display an initial response within three to five seconds.

Get Results

In most cases, E-Verify will instantly verify the employee's work authorization. If E-Verify returns an "Employment Authorized" response, the employer can continue to the last step in the verification process and close the case.

Sometimes, E-Verify cannot immediately confirm the employee's work authorization and may require the employer or the employee to take action. In these cases, the employer will see one of the following responses on the employee's verification results screen:

- **DHS Verification in Process:** Sometimes, E-Verify's automated search of government records cannot immediately verify employment authorization, and a manual search is required. In this case, E-Verify will return a "DHS Verification in Process" response. The employer must check E-Verify until the employee's case is updated, which usually happens within 24 hours, though it may take as long as three business days. When the employee's case is updated, E-Verify will return either an "Employment Authorized" or "Tentative Nonconfirmation" response.
- **Tentative Nonconfirmation:** If the employee information does not match government records, the employer will see a tentative nonconfirmation (TNC) response. Visit the "Tentative Nonconfirmation" page in this section for more information.

To prevent unnecessary TNCs, the employer must carefully review all entered information for accuracy. Should the employer have made a typographical error or entered incorrect data, the employer should close the case and create a new case for the employee with the correct information.

- **Note: Employer will need to print verification and submit to TFC Representative.**

Close the Case

All E-Verify cases must be closed by the user in E-Verify when a final verification result is received, regardless of the result. Closing cases is very important because it helps E-Verify maintain statistics on program usage and outcomes.

E-Verify will ask if the employee is still working for the employer and will then instruct the employer to choose the reason why the case is being closed. Once the case is closed, the employer must either record the case verification number on the employee's Form I-9 or print the case details and keep it on file with the employee's Form I-9.

PROCEDURES FOR FINGERPRINT REJECTIONS ELECTRONIC FINGERPRINT SUBMISSIONS

The Department of Public Safety will notify L-1 Enrollment Services when an applicant's fingerprints are rejected by either DPS or the FBI, regardless of the purpose and/or agency the fingerprints were submitted for. L-1 Enrollment Services will contact the applicant by telephone and by letter to notify the applicant of the rejected prints and schedule an appointment to have the fingerprints re-taken. There is no additional cost for having their fingerprints rolled again; often the applicant will disregard contact attempts from L-1 Enrollment Services because they are not DPS or the requesting agency.

DPS REJECTS

When an applicant's fingerprints are rejected for the first time on the DPS level their fingerprints are not submitted to the FBI. The requesting agency is notified of the rejection through Consolidated Response. Upon the second submission of fingerprints, whether the prints are rejected or deemed classifiable by DPS, they are sent to the FBI for process. The applicant has one year from the date of the last rejected fingerprint submission to complete the fingerprint based criminal history process. After one year, a new set of fingerprints and all fees must be resubmitted.

FBI REJECTS

The requesting agency is notified of the FBI rejection through Consolidated Response. Upon the second FBI rejection, it is the responsibility of the agency to request criminal history information based upon the applicant's name and date of birth from the FBI directly. The requesting agency has 90 days from the date of the last rejected fingerprint submission to request the results from the FBI. After the 90th day, a new set of fingerprints and all fees must be resubmitted.

Fingerprint Applicant Services of Texas (FAST)

The Department of Public Safety (DPS) entered into a contract with L1 Enrollment Services in 2005 to offer electronic fingerprinting services to our criminal and non-criminal justice customers. Since 2005, over 1.8 million customers have taken advantage of the FAST Program to satisfy criminal and non-criminal justice criminal history background check requirements. Currently, DPS and L1 Enrollment Services have 81 FAST locations strategically located around the state for customers to use. In addition to the statewide service, the DPS Denson Lobby at 108 Denson Drive provides walk-up fingerprinting services on a first come first serve basis

FAST Process:

1. *Obtain a FAST Fingerprint Pass.* This document is available from your contact at the Texas Facilities Commission.
2. *Schedule a FAST Fingerprinting Appointment.* Please utilize the statewide FAST service by scheduling an appointment at www.L1enrollment.com or by calling 1-888-467-2080. If you are located in the Austin area you may visit the DPS Denson Lobby at 108 Denson Drive. The Denson Lobby location provides FAST services on a first come first serve basis. It is very important that you follow the instructions on your FAST Fingerprint Pass.
3. *Attend Your Scheduled Fingerprint Appointment.* Attend the fingerprinting appointment selected during the scheduling process. At the fingerprinting location you **must** present a valid driver's license or state identification card to establish your identity. After your identity has been established, you will be electronically fingerprinted, digitally photographed, and additional biographical information will be requested.
4. *Keep Your Receipt.* At the end of the fingerprinting appointment the technician will provide you a receipt. If your fingerprints reject (<2% of the time) due to fingerprint abnormalities, you will need the TCN that is on the receipt to get fingerprinted again at no charge.

If you have any questions or need assistance please contact the Fingerprint Services Unit at fingerprint.service@txdps.state.tx.us or at (512) 424 – 2365, option 6.

***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

HUB SUBCONTRACTING PLAN (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.13 are:

- 11.2 percent for heavy construction other than building contracts,
- 21.1 percent for all building construction, including general contractors and operative builders contracts,
- 32.7 percent for all special trade construction contracts,
- 23.6 percent for professional services contracts,
- 24.6 percent for all other services contracts, and
- 21 percent for commodities contracts.

-- Agency Special Instructions/Additional Requirements --

In accordance with 34 TAC §20.14(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only contracts that have been in place for five years or less shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.

Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the minority or women trade organizations or development centers is considered to be "day zero" and does not count as one of the seven (7) working days.

HUB Status code "A" signifies that the company is a Texas certified HUB.
- b. List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. HUB Subcontracting Opportunity Notification Form

In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in Section B has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.14 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more minority or women trade organizations or development centers at least seven (7) working days prior to submitting its bid response to the contracting agency.

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in Section C, Item 2, reply no later than the date and time identified in Section C, Item 1. Submit your response to the point-of-contact referenced in Section A.
