TFC has retained an A/E to provide: (i) professional architectural services; and/or (ii) professional engineering services as defined in Texas Government Code, Chapter 2254, Subchapter A, the scope of both of which is set out in a separate architectural/engineering professional services agreement (hereinafter referred to as the "A/E Agreement") for this Project.

performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, A/E will not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. A/E will neither have control over or charge of, nor be responsible for, CMR's construction means, methods, techniques, sequences or procedures, or for the safety precautions and programs in connection with the Work, since these are solely CMR's rights and responsibilities under the Contract Documents.

6.1.3.2.2. Neither A/E's authority or responsibility under the A/E Agreement or under any other provision of the Contract Documents, nor any decision made by A/E in good faith either to exercise or not exercise such authority or responsibility or the undertaking, exercise, or performance of any authority or responsibility by A/E shall create, impose, or give rise to any duty in contract, tort, or otherwise owed by A/E to CMR, any Subcontractor, to any surety for or employee or agent of any of them. In no event shall TFC or A/E or their consultants or any other party engaged by or on behalf of TFC, have control over, be in charge of, or be responsible for CMR's construction means, methods, techniques, sequences, procedures, or for safety precautions and programs in connection with the Work, since these are solely CMR's responsibility. TFC will not be responsible for the CMR's failure to carry out the Work in accordance with the Contract Documents. After reviewing such course of action with TFC, CMR shall, in the exercise of CMR's reasonable judgment, propose the date by which CMR will complete all corrective action. Services shall resume only upon TFC's delivery of further written notice to CMR withdrawing the TFC's Safety Stand-Down Order, which notice of withdrawal shall not be issued until TFC is reasonably satisfied that CMR has sufficiently implemented all appropriate corrective action as necessary to enable CMR to safely resume Services, fulfill its contractual obligations set forth in this Contract, and thereby avoid recurrence of the Safety Incident(s). CMR shall not be entitled to an adjustment of the CMR's Compensation, or the Professional Services Schedule, as the result of TFC's issuance of a Safety Stand-Down Order. If CMR fails to implement the corrective action in the manner proposed by CMR and determined by TFC to be reasonably acceptable, such failure shall be deemed a material breach of this Contract and TFC may, without further notice, terminate this Contract for cause. In responding to any Safety Stand-Down Order, CMR's evaluation of the need for, and its plan of, corrective action shall be undertaken as an independent contractor, pursuant to Section 12.3, and nothing herein shall be construed or interpreted to mean that TFC has assumed or agreed to assume any duty of care to the CMR Personnel, or to provide guidance or instruction as to CMR's means and methods for managing safety as required by this Contract. Any action taken by TFC hereunder to enforce TFC's rights to require CMR to fulfill its safety obligations under this Contract shall be deemed to be undertaken solely for the purpose of fulfilling TFC's contractual expectation of results in terms of delivery of the Projects without causing injury or harm to persons or property.

CMR shall afford TFC's other contractors and tenants reasonable opportunity for the introduction and storage of their materials and equipment, and for the

performance of their construction or operations. CMR also shall properly coordinate its Work with that of such other contractors, and cooperate in all respects with them. The other contractors will be required to similarly cooperate with CMR in all such respects. If any part of the Work depends upon proper performance of the construction or operations of other contractors, CMR shall inspect and promptly report to TFC any apparent discrepancies or defects that render the Work unsuitable. Failure of CMR to so report shall constitute an acceptance of the other contractors' construction or operations as fit to receive the Work. If CMR or others engaged by or under the control of CMR cause(s) physical damage to the construction or property of any other contractors, CMR, upon notice from TFC, shall remedy such damage at its sole expense. If a dispute arises between CMR and any other contractor as to each other's responsibility for cleaning up, TFC may clean up and charge the cost to CMR or the other contractor as TFC shall determine to be just.

The updated CMR List of Staff shall be delivered to TFC no later than the date of execution of the GMP Amendment Acceptance so as to reflect all of CMR employees, including the project executive, the Project Manager, and the project superintendents that are engaged by CMR to provide TFC with the Construction Management Services. The updated CMR List of Staff shall automatically become, simultaneously upon the execution of the GMP Amendment Acceptance, and without further notice, the effective CMR List of Staff, which shall replace the initial CMR List of Staff.

6.2.8.1. The "CMR Project Manager" and project superintendents must be committed to the Project on a full-time basis. TFC reserves the right to approve the appointment of the CMR Project Manager and to demand that the CMR Project Manager and the project superintendents, and any of CMR's employees, including the project superintendents or

Subcontractors, be removed and replaced if, in the sole opinion of TFC, their performance on this Project or any other Projects, is and/or was not adequate or their continued involvement with the Project will, is, or has become, detrimental to the timely and successful completion of the Project, including but not limited to, for such reasons as: (i) any past or present violation of any statute, rule, regulation, or ordinance of any city, county, the State of Texas, or the United States, or any other Laws and Regulations; (ii) TFC's reasonable belief that failure to obtain an acceptable criminal background check will occur; (iii) prior unsatisfactory performance on other TFC projects; and (iv) any other like reasons.

6.2.8.2. The CMR Project Manager and the project superintendents identified in the CMR List of Staff shall not be replaced by CMR, nor shall any other Subcontractors be engaged by CMR, unless prior written consent is obtained from TFC, which consent shall not be unreasonably withheld, conditioned, or delayed. CMR shall bear the costs associated with the replacement of any of its staff listed on the CMR List of Staff, "Exhibit G."

6.2.11. Debts or Delinquencies Owed to the State. Any payment due under this Contract may be withheld and applied toward payment of any debt that is owed to the State of Texas including, but not limited to, delinquent taxes and child support pursuant to Texas Government Code, Section 403.055.

6.2.12. General and Criminal Background Checks.

6.2.12.2. All of CMR's employees and Subcontractors that will perform any work on-site at a state-owned property shall be subject to a criminal background check. Any expense associated with such criminal background check shall be borne by CMR.

6.2.12.2.1. All criminal background check forms for all of CMR's employees and Subcontractors that will initially commence any work on-site must be fully completed and adjudicated within fifteen (15) days of the date of the appropriate notice of award, and the process thereafter must be diligently pursued by CMR.

6.2.12.2.2. All criminal background checks must be completed before any of CMR's employees or Subcontractors perform any services at the Site.

6.2.12.2.3. All criminal background checks must be accomplished and results adjudicated in accordance with the criteria set forth in the Criminal Background Checks and Application Guidelines, a digital copy of which is incorporated herein by reference for all purposes in PDF on the Exhibits CD, and named therein as "Exhibit H." A/E's or Subcontractor's failure to timely secure criminal background check clearance shall not be considered a legitimate delay in the Work Progress Schedule.

6.2.13. Equal Opportunity. CMR shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, age, disability, political affiliation, or religious belief. CMR shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, national origin, age, disability, political affiliation, or religious belief. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. CMR shall post in conspicuous places, available to employees or applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination subsection. CMR shall include the above provisions in all Subcontracts pertaining to the Work.

By entering into this Contract, CMR certifies and ensures that it utilizes and will continue to utilize, for the term of this Contract, the U.S. Department of Homeland Security's E-Verify system, in accordance with the U.S. Department of Homeland Security's rules, to determine the eligibility of: (i) all persons employed to perform duties within the State of Texas, during the term of the Contract; and (ii) all persons (including subcontractors) assigned by CMR to perform work pursuant to the Contract, within the United States of America.

6.2.15. No Advertising. CMR shall not advertise that it is doing business with TFC or use this Contract as any sort of marketing or sales tool without the prior written consent of TFC.

6.2.16. No Warranties by TFC. CMR ACKNOWLEDGES THAT ANY AND ALL TESTS, MAPS, REPORTS, AND DRAWINGS IN THE POSSESSION OF TFC THAT REFLECT OR DEPICT SITE BOUNDARIES, RECORDED EASEMENTS, TOPOGRAPHY, UTILITY LOCATIONS, AND OTHER SITE CONDITIONS AND/OR RESTRICTIONS WHICH MAY IMPACT THE DESIGN AND/OR CONSTRUCTION OF THE PROJECT WERE PREPARED SOLELY FOR TFC'S BENEFIT AND FOR INFORMATION ONLY PURPOSES, AND THAT CMR SHALL HAVE NO RIGHT TO RELY UPON SUCH AND THAT ANY RELIANCE THEREON SHALL BE AT CMR'S OWN RISK.

6.2.17. Sequencing of Construction. TFC reserves the right to: (i) direct the Construction Phase to commence prior to completion of the pre-construction phase, in which case the phases will proceed concurrently; or (ii) to complete the Project in phases.

6.2.18. Warranties and Guarantees. All warranties and guarantees required by the Specifications shall expressly run to the benefit of TFC. If required by TFC or A/E, CMR shall furnish satisfactory evidence (including reports of required tests) as to the source, kind, and quality of materials and equipment.

6.2.19. Prohibition Against Boycotting Israel. In accordance with Section 2270.002 of the Texas Government Code, by signature hereon, Contractor certifies that it does not boycott Israel and will not boycott Israel during the term of this Contract.

7.1. Warranties and Representations by CMR. CMR hereby makes the following warranties, representations, and certifications, all of which are true, accurate, and complete at the time of the Effective Date and throughout the term of this Contract, and which shall be true, accurate, and complete with respect to each Deliverable. All representations, warranties and certifications discussed below shall survive the expiration or termination of this Contract.

7.1.1. CMR's Standard of Care. CMR shall, in the performance of the Services and Work, comply with the standard of care described herein. Notwithstanding anything to the contrary contained in this Contract, TFC and CMR agree and acknowledge that TFC has entered into this Contract in reliance on CMR's special and unique construction and design management abilities to perform its obligations hereunder. CMR accepts that, by this Contract, a relationship of trust and confidence is hereby established between it and TFC. CMR understands the complexity involved in this type of construction and the necessity of coordination of the performance of its Services with the Project Team. In addition to the foregoing, and in addition to the rights and remedies otherwise existing under this Contract, at law or in equity, CMR will perform, or Cause to be performed, all Services and Work expeditiously, and in no event later than is required to conform, as applicable, to the construction schedule, and shall do so with that degree of professional skill and care practiced by firms similar to it, using similar collaborative project planning and management methods, and having industry leading knowledge and skill for the planning and management of construction projects of comparable complexity and value, and engaged in the providing of similar services for major building construction projects of comparable value in the United States under the same or similar circumstances as described in the Request for Qualifications. CMR will furnish efficient business administration and superintendence and perform the Services in such manner as to provide TFC the best value. CMR shall employ and exercise the professional judgment of its experienced and qualified construction professionals to provide TFC confidence that the Projects will be completed in conformity with the design concepts

and construction requirements established by TFC, and it is the intention of the parties that CMR shall, at all times, act in TFC's best interests with respect to the performance of the Services and the management of all aspects of the Projects. CMR shall, at all times, exercise exclusive direction and control, and shall be responsible for proper supervision of all its CMR Personnel, Subcontractors, and subconsultants while present on the Worksites and otherwise. The standard of care required hereunder shall not, however, be deemed to alter or expand CMR's common-law duty to TFC with respect to liability for, or the duty to indemnify, defend or hold TFC harmless under Article XI with respect to claims or liability for bodily injury or property damage covered by that indemnity, for which the standard of care hereunder shall be deemed and construed to be no greater than that imposed upon CMR by common law.

7.1.2. Financial Ability, Insurance and Bonds. Neither the execution and delivery of this Contract by CMR nor the performance of its obligations hereunder will result in the violation of any provision, if a corporation, of its articles of incorporation or by-laws, if a limited liability company, of its articles of organization or regulations, or if a partnership, of any partnership agreement by which CMR is bound, or any agreement, including a "Company Agreement" as defined under the applicable Texas Statutes, by which CMR is bound, nor will it result in conflict with any order or decree of any court or governmental instrumentality relating to CMR. CMR and each of CMR's personnel, Subcontractors and Suppliers: (i) if a corporation or limited liability company, is duly organized, validly existing and in good standing under the laws of the State of Texas, or a foreign corporation or limited liability company duly authorized and in good standing to conduct business in the State of Texas, having all necessary corporate power and having received all necessary corporate approvals required to execute and deliver their respective contracts (including this Contract), and each of the individual signing such contracts (including this Contract) has been duly

7.1.5. Responses to RFQ. CMR shall have a continuing duty to disclose any material change in circumstances that could adversely affect CMR's ability to continue to perform the Services and the Work in accordance with its obligations hereunder.

7.1.6. Immigration Reform. The Immigration Reform and Control Act of 1986, as amended, the Immigration Act of 1990, and the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, require that all employees hired since 1986 provide proof of identity and employment eligibility before they can work in the United States. TFC is committed to complying with all applicable immigration laws of the United States and requires compliance by all contractors and Subcontractors who contract with the State. CMR shall not place any employee of CMR at a worksite, nor shall CMR permit any employee, nor any Subcontractor, to perform any work on behalf of, or for the benefit of, TFC without first confirming said employee's authorization to lawfully work in the United States. CMR warrants that CMR: (i) maintains and follows an established policy to verify the employment authorization of its employees and to ensure continued compliance for the

duration of employment; (ii) has verified the identity and employment eligibility of all employees in compliance with applicable law; (iii) has established internal safeguards and reporting policies to encourage its employees to report any suspected violations of immigration policies or of immigration law promptly to CMR's senior management; and (iv) is without knowledge of any fact that would render any employee or Subcontractor ineligible to legally work in the United States. CMR further acknowledges, agrees, and warrants that CMR: (i) has complied, and shall at all times during the term of the Contract comply, in all respects with the Immigration Reform and Control Act of 1986 and 1990, the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as amended, and all of the laws, rules, and regulations relating thereto; (ii) has properly maintained, and shall at all times during the term of the Contract properly maintain, all records required by the Department of Homeland Security, Immigration and Customs Enforcement ("DHS-ICE"), including, without limitation, the completion and maintenance of the Form I-9 for each of CMR's employees; and (iii) has responded, and shall at all times during the term of the Contract respond, in a timely fashion to any inspection requests related to such I-9 Forms. During the term of the Contract, CMR shall, and shall cause its directors, officers, managers, agents and employees to, fully cooperate in all respects with any audit, inquiry, inspection or investigation that may be conducted by TFC or any state agency of CMR or any of its employees. CMR and all CMR Personnel conducting work or Services for TFC shall abide by all OSHA rules and regulations provided by the Department of Labor, OSHA, Code of Federal Regulations, Chapter 29. Employees of CMR and Subcontractors shall be trained in accordance with Chapter 29, Occupational Safety and Health Regulations. CMR's procedure must meet or exceed TFC's procedure as determined by the TFC Project Manager. Work or services shall not be done on energized electrical circuits, components or equipment. When de-energizing is impractical due to possible harm to personnel, equipment or facility damage, negative onsite or offsite environmental impact, or business interruption, CMR must follow OSHA requirements as detailed in OSHA Regulations 1910.331 – 1910.399.

7.1.8. Proficiency in Systems. CMR is, or shall be, proficient in the use of CAD and BIM systems and the hosting and operation of the EPMCS Approved for the Project.

7.1.9. Warranty of Deliverables. All Deliverables shall be: (i) completed and delivered in a timely manner and in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances; (ii) conform to or exceed the specifications set forth in the Contract Documents; and (iii) be fit for ordinary use, of good quality, and with no material defects.

7.1.9.1. Where Shop Drawings or a sample is required by the Contract Documents or the Submittal Register, as defined in UGC Section 1.38, any related Work performed prior to A/E's review and approval of the pertinent submittal will be at the sole expense and responsibility of CMR.

7.1.9.2. Any provisions in the UGC to the contrary notwithstanding, including, but not necessarily limited to UGC Section 13.2, the creation of CMR's general one (1) year warranty shall not be construed to constitute a waiver of CMR's obligation to correct, or otherwise be responsible for, any latent defects beyond the above-mentioned one (1) year corrective period.

7.1.9.3. Any provision in the UGC to the contrary notwithstanding, no warranty periods shall commence unless and until a Certificate of Substantial Completion has been issued for the corresponding Work or portion thereof.

7.1.9.4. The foregoing notwithstanding, if TFC elects to issue to CMR a Certificate of Final Completion and/or Final Payment for the Work prior to CMR's delivery of the Record Documents, the issuance of either of the foregoing shall not relieve CMR of its obligation to deliver the Record Documents; furthermore, and notwithstanding CMR's failure to have earlier delivered the Record Drawings or completion of all punch list items, commencing on the expiration of ninety (90) days after issuance of the Certificate of Substantial Completion, the warranties established by the Uniform General Conditions for the Work and for any item of equipment or component of the Work, shall be deemed to be extended day for day for each day following the issuance of the Certificate of Substantial Completion until Record Documents that conform to Section 7.1.9 have been delivered to TFC.

7.1.10. Warranty of Improvements. Any provisions herein to the contrary notwithstanding, CMR expressly warrants that all improvements, including workmanship and materials incorporated into the Project, shall be free from defects. CMR shall, at TFC's reasonable election, either repair or replace any defects in any of CMR's Work, Services, or related deliverables as soon as CMR becomes aware of such defects or is notified of such defects. Should CMR refuse or neglect to make good such defects within a reasonable time after receiving notice requesting such remedial Work, then TFC shall be entitled to make good such defective Work, Services or related deliverables at CMR's expense. CMR's obligation hereunder is in addition to, and not in substitution of, any other remedy TFC may have hereunder, or at law or in equity. Any warranty repair or replacement shall comply with the requirements of this Contract and shall be verified by CMR's performance of testing as TFC may require. All costs incidental to such repair, replacement, and testing, including the removal, replacement and reinstallation of equipment and materials necessary to gain access to concealed areas, shall be borne by CMR. CMR shall be liable for the satisfaction and full performance of the warranties as set forth herein.

7.1.11. CMR's Ancillary Warranty Obligations. All warranties include all labor, and all equipment and materials installed, and shall be signed by and delivered to CMR and countersigned by the Subcontractor performing the same and/or the manufacturer thereof, as the case may be. As of the time of Final Completion of the Work, CMR agrees to assign to TFC any and all CMR's Subcontractors' and manufacturers' warranties relating to labor, equipment and materials installed in the Work. CMR further agrees to perform the Work in such manner so as to preserve any and all such manufacturers' warranties. In addition to the foregoing, CMR shall comply with all other warranties referred to in any other provision of the Contract Documents.

Where more than one warranty obligation applies hereunder, the more stringent warranty obligation shall govern.

7.1.12. Duty to Protect the Work. CMR shall be responsible for the protection and security of the Work and the Project until TFC has assumed control of and accepted beneficial occupancy thereof or a portion thereof for its intended use, or Substantial Completion of the Work or any portion of the Work has occurred. TFC may, but is not obligated to, accept CMR's tender of any portion of the Project for beneficial occupancy and use prior to Substantial Completion of the entire Project. CMR shall give TFC full opportunity to inspect the Work at all stages. Where any utility installations will be affected by Work to be carried on by CMR, CMR must provide ample advance notice to TFC, to enable TFC to obtain the prior consent of TFC's, operators or persons in charge of such utilities, so that the performance of Work is not delayed.

7.1.13. Eligibility. The individual or business entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that this Contract may be terminated and payment withheld if this certification is inaccurate pursuant to the Texas Government Code, Section 2155.004(b).

7.1.14. Family Code Disclosure of Ownership. Pursuant to the requirements of the Texas Family Code, Section 231.006, regarding delinquent child support, the individual or business entity named in this Contract is not ineligible to receive payment under this Contract and, if applicable, CMR has provided, prior to its execution of this Contract, the name and social security number of each such person (sole proprietors, firm TFCs, partners, or shareholders) holding at least twenty-five percent (25%) ownership of the business entity entering into this Contract. CMR acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate.

7.1.15. Deceptive Trade Practices Act; Unfair Business Practices Disclosures. CMR represents and warrants that it has not been found liable of Deceptive Trade Practices Act violations under Chapter 17 of the Texas Business and Commerce Code or of any unfair business practice in any administrative hearing or court suit. CMR further certifies that it has no officers who have served as officers of other entities who have been found liable of Deceptive Trade Practices violations or of any unfair business practices in an administrative hearing or court suit. In the event that allegations of Deceptive Trade Practices violations under Chapter 17 of the Texas Business and Commerce Code or of any unfair business practices against either CMR or any of CMR's officers have occurred or are currently pending in an administrative proceeding or in a lawsuit filed with any court, then CMR has disclosed all such matters to TFC and provided a brief description of each allegation, information regarding the administrative body or court before which the matter is pending, and the current status of the matter.

7.1.16. Disclosure of Former State Executives. Pursuant to the Texas Government Code, Section 669.003 relating to contracting with an executive of a state agency, no person who, in the past four (4) years served as an executive of TFC or any other state agency was involved with or has any interest in this Contract or any Contract resulting from this Contract. If CMR employs or has used the services of a former executive head of TFC or any other state agency, then

CMR has provided the name of the former executive, the name of the state agency, the date of separation from the state agency, the position held with CMR, and the date of employment with CMR.

7.1.17. Financial Interests/Gifts. (a) Pursuant to Texas Government Code Sections 572.051 and 2255.001 and Texas Penal Code Section 36.09, CMR has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract. (b) Pursuant to Texas Government Code Chapter 573 and Section 2254.032, if applicable, CMR certifies that CMR knows of no officer or employee of TFC, nor any relative within the second degree of consanguinity or affinity of an officer or employee of TFC, that has a financial interest in CMR's company or corporation. CMR further certifies that no partner, corporation, or unincorporated association which employs, retains or contracts with, or which may employ, retain, or contract with any of the above, has a financial interest in any entity with which CMR will be dealing on behalf of TFC.

7.1.18. Prior Employment. CMR knows of no officer or employee of TFC, nor any relative within the second degree of consanguinity or affinity of an officer or employee of TFC, that has a financial interest in CMR's firm or corporation. CMR further certifies that no partner, corporation, or unincorporated association that employs, retains or contracts with, or which may employ, retain, or contract with any of the above, has a financial interest in any entity with which CMR will be dealing on behalf of TFC pursuant to the Texas Government Code, Chapter 573 and Section 2254.032. Furthermore, CMR certifies and agrees that if it employs any former employee of TFC, such employee will perform no work in connection with this Contract during the twelve (12) month period immediately following the employee's last date of employment at TFC.

7.1.19. Affirmation as to Submittals. Upon submittal to TFC of any documentation or data that was created or modified by CMR, including but not limited to Drawings, Specifications, and the Budget, all representations contained therein shall be true and accurate as to each such creation or modification.

7.1.20. Drawings and Specifications. CMR is not required to ascertain that the Drawings and Specifications are in accordance with applicable laws, statutes, ordinances, codes, rules and regulations, or lawful orders of public authorities, but CMR shall promptly report to A/E and TFC, in writing, any nonconformity discovered by or made known to CMR in the form of an RFI.

7.1.21. Site Investigation. Prior to execution of this Contract, CMR has had ample opportunity to examine all of the Contract Documents, Drawings and Specifications, and all TFC Deliverables pertaining to the Work and the site of the Work and its surroundings. Prior to the submission of a GMP Proposal, CMR will have again carefully examined all such information, and shall have also investigated the site of the Work to the degree that CMR deems necessary and appropriate to fully acquaint CMR with the scope of Work, the completeness of the design, the availability of materials, the presence of existing facilities (including underground utilities), general topography, soil structure, subsurface or substructure conditions or obstructions, adjoining

property constraints, and all other conditions related to the Work, the site of the Work and its surroundings. CMR SHALL APPLY ITS SPECIAL AND UNIQUE ABILITY AND PROFESSIONAL SKILL AND CARE PRACTICED BY CONSTRUCTION FIRMS SIMILAR TO IT FOR COLLABORATIVE PROJECT PLANNING AND MANAGEMENT AND INCLUDE IN ITS GMP PROPOSAL(S) A REASONABLE AMOUNT AS CMR CONTINGENCY FOR THE RISK OF ANY DIFFICULTIES OR CONDITIONS TO BE ENCOUNTERED AFTER CMR COMMENCES CONSTRUCTION OF THE WORK, WHICH MAY ADVERSELY IMPACT THE PERFORMANCE OR PROGRESS OF THE WORK OR COMPLETION OF THE PROJECT. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN ANY OTHER PROVISION OF THE CONTRACT DOCUMENTS, THE TFC DELIVERABLES, OR ANY REPRESENTATION, STATEMENT OR OTHER INFORMATION MADE OR FURNISHED BY TFC OR ITS REPRESENTATIVES, CMR AGREES CMR'S SUBMISSION OF ITS GMP PROPOSAL TO ESTABLISH A GMP FOR THE WORK SHALL CONSTITUTE CMR'S REPRESENTATION TO TFC THAT (i) CMR HAS COMPLETED ALL INVESTIGATIONS NECESSARY OR APPROPRIATE TO FULLY EVALUATE SUCH RISK, (ii) CMR HAS ESTABLISHED A REASONABLE CMR CONTINGENCY FOR SUCH RISK IN THE GMP PROPOSAL, (iii) CMR AGREES TO ASSUME SUCH RISK, (iv) CMR SHALL COMPLETE THE WORK FOR THE GMP TO BE ESTABLISHED UNDER THIS CONTRACT NOTWITHSTANDING SUCH DIFFICULTIES OR CONDITIONS, AND (v) CMR SHALL NOT BE ENTITLED TO REQUEST EITHER THE USE OF FUNDS FROM THE TFC CONTROLLED CONTINGENCY OR AN INCREASE IN THE GMP TO PAY FOR UNANTICIPATED COSTS TO OVERCOME ANY SUCH DIFFICULTIES OR CONDITIONS, EXCEPT THAT CMR SHALL BE ENTITLED TO MAKE A CLAIM STRICTLY IN ACCORDANCE WITH THE REQUIREMENTS OF THE UGC, BUT ONLY FOR A DIFFERING SUBSURFACE CONDITION, FOR AN ADJUSTMENT BY CHANGE ORDER TO COVER INCREASE OR DECREASE IN THE COST OF THE WORK NOT PAID FROM CMR CONTINGENCY AND TFC CONTROLLED CONTINGENCY, OR ANY INCREASE OR DECREASE IN THE TIME WITHIN WHICH THE WORK IS TO BE COMPLETED, BUT SUBJECT TO (A) THE REQUIREMENTS OF SECTION 11.5 OF THE UGC FOR SUCH CHANGE ORDER, AND (8) THE APPROVAL OF THE A/E AS THE OWNER'S DESIGN REPRESENTATIVE. OTHERWISE, CMR ASSUMES FULL AND COMPLETE RESPONSIBILITY FOR AND SHALL NOT BE ENTITLED TO A CHANGE ORDER TO OVERCOME SUCH DIFFICULTIES OR CONDITIONS TO THE EXTENT THEY MAY CAUSE THE TOTAL OF ALL COSTS OF THE WORK AND FEES ON THE PROJECT TO EXCEED THE GMP.

7.1.21.1. As part of its examination of the Site conditions, CMR has made and/or will make, reasonable and appropriate efforts to discover the presence of any subsurface or otherwise concealed Hazardous Materials. The results thereof shall be delivered to TFC in writing at or prior to the delivery of the GMP Proposal.

7.1.21.2. In the event CMR discovers the presence of other Hazardous Materials during the Construction Phase of the Project, CMR shall promptly, but in no event later than twenty-four hours after each such discovery, provide written notice thereof to TFC, CMA, and A/E. CMR shall not disturb said conditions.

7.1.21.3. Any remediation of such Hazardous Materials shall be considered outside the scope of Work.

### **VIII. STATE FUNDING.**

8.1. **State Funding.** This Contract shall not be construed as creating any debt on behalf of the State of Texas and/or TFC in violation of the Texas Constitution, Article III, Section 49. In compliance with the Texas Constitution, Article VIII, Section 6, it is understood that all obligations of TFC hereunder are subject to the availability of state funds. If such funds are not appropriated or become unavailable, this Contract may be terminated. In that event, the parties shall be discharged from further obligations, subject to the equitable settlement of their respective interests accrued up to the date of termination. Furthermore, any damages due under this Contract should not exceed the amount of funds appropriated for payment under this Contract, but not yet paid to CMR, for the fiscal year budget in existence at the time of the breach.

### **IX. COPYRIGHTS AND TRADEMARKS.**

9.1. **Copyrights.** CMR agrees that all Deliverables provided pursuant to this Contract are subject to the rights of TFC in effect on the date of execution of this Contract. These rights include the right to use, duplicate and disclose such subject matter and data, in whole or in part, in any manner for alterations, additions, remodels or maintenance; and to have others do so including production of Deliverables in response to a public information request pursuant to Texas Government Code, Chapter 552. If the Deliverables produced by CMR are subject to copyright protection, CMR hereby grants to TFC a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use such and to authorize others to do so. CMR shall include appropriate provisions to achieve the purpose of this condition in all Subcontracts entered into that produce information subject to copyright protection.

9.1.1. **Disclaimers.** All such Deliverables furnished by CMR pursuant to this Contract shall be considered instruments of its services in respect to the Project. It is understood that CMR does not represent such Deliverables to be suitable for reuse on any other study or for any other purpose(s). If A/E, at TFC's request and authorization, verifies or adapts CMR's Deliverables for TFC's use on another study, CMR shall be compensated for redesign or new design, bidding, and construction management services.

9.1.2. **Delivery to TFC.** CMR shall promptly provide copies of the Deliverables to TFC upon completion, termination, or cancellation of this Contract for any reason, including all copies of the Deliverables in any form or medium specified by TFC in this Contract, whether written, digital, or electronic.

9.1.3. **TFC Right to Use.** Any provision herein to the contrary notwithstanding, TFC shall be authorized to make subsequent use of the Deliverables for any and all future renovations, modifications, alterations, maintenance, repairs, and the like of the Project.

9.2. No Use of Name or Trademark. CMR agrees not to make any written use of or reference to TFC's name or registered or unregistered trademarks for any marketing, public relations, advertising, display or other business purpose or make any use of TFC's facilities for any activity related to the express business purposes and interests of TFC pursuant to this Contract, without the prior written consent of TFC, which consent may be withheld or granted in TFC's sole discretion.

**X. ACCOUNTING RECORDS, AUDIT, PROPRIETARY INFORMATION,  
AND PUBLIC DISCLOSURE.**

10.1. Books and Records. CMR shall keep and maintain under generally accepted accounting principles full, true and complete records, as are necessary to fully disclose to TFC or the United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with the terms and conditions of this Contract and all state and federal regulations and statutes.

10.2. Inspections and Audits. CMR agrees that all relevant records related to this Contract or any work product under this Contract, including practices of its Subcontractors, shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of CMR where such records may be found, with or without notice by the Texas State Auditor's Office ("SAO"), the contracting agency or its contracted examiners, or the Office of the Attorney General of Texas, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All Subcontracts shall reflect the requirements of this section. In addition, pursuant to Texas Government Code, Section 2262.154, the SAO may conduct an audit or investigation of any entity receiving funds under this Contract, including direct payments to CMR and indirect payments under a Subcontract to this Contract; acceptance of such monies acts as acceptance of SAO authority, under legislative audit committee direction, to audit and investigate related to those funds and the entity subject to the audit or investigation must provide SAO with access to any information SAO considers relevant to the scope of the audit or investigation.

10.3. Records Retention. All records relevant to this Contract shall be retained for a minimum of seven (7) years. This retention period runs from the date of payment for the relevant goods or services by TFC, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative proceeding or litigation which may ensue.

10.4. Confidentiality Provisions Applicable to CMR. The following confidentiality provision shall apply to CMR.

10.4.1. Protection of Confidential Information. 10.4.2. Definition of Confidential Information. "Confidential Information" shall mean all information, whether or not originated by TFC, which is used in, or a part of, TFC's business and operations and is: (i) proprietary to, about, or created by TFC; (ii) gives TFC some competitive advantage or the opportunity of obtaining such advantage or the disclosure of which could be detrimental to the interests of TFC; (iii) designated as "Confidential Information" by TFC, or from all the relevant circumstances should reasonably be assumed by CMR to be confidential and proprietary to TFC; or (iv) not generally known by CMR. "Confidential Information" shall not include information that: (i) is or becomes available to the public generally, other than as a result of disclosure by CMR in breach of the terms of this Contract; (ii) becomes available to CMR from a source (other than TFC) which source is not, to the best of CMR's knowledge, subject to any legally binding obligation to keep the same confidential; or (iii) has been independently acquired or developed by CMR. Such Confidential Information includes, but is not limited to, the following types of information and other information of a similar nature (whether or not reduced to writing or designated as confidential):

10.4.3. Covenants. In view of the foregoing and of the mutual consideration to be provided to each party, CMR agrees that it is reasonable and necessary that it make the following covenants.

10.4.3.1. Both during and forever after the performance of its due diligence investigation, CMR will not disclose Confidential Information to any Person or entity other than as necessary in carrying out its duties on behalf of TFC and/or due diligence investigation, without first obtaining TFC's prior, written consent, and CMR will take all reasonable precautions to prevent inadvertent disclosure of such Confidential Information. This prohibition against CMR's disclosure of Confidential Information includes, but is not limited to, disclosing the fact that any similarity exists between the Confidential Information and information independently developed by another Person or entity, and CMR understands that such similarity does not excuse CMR from abiding by its covenant or other obligations pursuant to this Contract.

10.4.3.2. Both during and after the conduct of its due diligence investigation, CMR will not use, copy, or transfer Confidential Information other than as necessary in carrying out its duties on behalf of TFC and/or due diligence investigation, without first obtaining prior written consent of TFC, and will take all reasonable precautions to prevent inadvertent use, copying, or transfer of such Confidential Information. 10.4.3.3. CMR agrees not to utilize, either directly or indirectly, any Confidential Information in order to facilitate or create direct business relationships with Business Customers of TFC.

10.5. Confidentiality Provisions Applicable to TFC. Subject to the provisions of Section 10.6 below, TFC shall keep confidential all information, in whatever form, produced, prepared, or observed by CMR to the extent that such information is confidential by law.

10.6. Public Records. Notwithstanding any provisions of this Contract to the contrary, CMR understands that TFC will comply with the Texas Public Information Act, Texas Government Code, Chapter 552. If contacted by TFC, CMR will cooperate with TFC in the production of documents responsive to the request. CMR agrees to provide the documents responsive to the request in the format and within the time frame specified by TFC. CMR may request that TFC seek an opinion from the Office of the Attorney General of Texas. However, the final decision whether to seek a ruling from the Office of the Attorney General of Texas will be made by TFC in its sole discretion to comply with the legal requirements of the Texas Public Information Act. Additionally, CMR will notify TFC's general counsel within twenty-four (24) hours of receipt of any third-party requests for information written, produced, collected, assembled, or maintained in connection with this Contract and/or any amendment to this Contract. This Contract and/or any amendment to this Contract and all data and other information generated or otherwise obtained in its performance is subject to the Texas Public Information Act. CMR agrees to maintain the confidentiality of information received from the State of Texas during the performance of this Contract, including information which discloses confidential personal information particularly, but not limited to, social security numbers. Furthermore, CMR is required to make any information created or exchanged with the State pursuant to this Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public as specified by TFC at no additional charge to the State.

Vendors and service providers not listed with the "Buy Accessible Wizard" or supplying a URL to their VPAT must provide DIR with a report that addresses the same accessibility criteria in substantively the same format. Additional information regarding the "Buy Accessible Wizard" or obtaining a copy of the VPAT is located at <http://www.section508.gov/>.

## XI. BONDS AND INSURANCE.

### 11.1. Bonds.

11.1.1. Bid Bond. CMR shall deliver the Bid Bond contemporaneously with submission of CMR's response to the RFQ, UGC Section 5.1.3.1 to the contrary notwithstanding. The Bid Bond shall be a bond issued by an Approved surety, cash, or other immediately available funds.

11.1.2. Payment and Performance Bonds. CMR shall obtain and deliver to TFC the payment and performance bonds required by UGC Section 5.1.1 within ten (10) days execution of the GMP Amendment. The Payment and Performance Bonds shall be issued by an Approved surety in the form attached hereto as "Exhibit I-1," and "Exhibit I-2," respectively. CMR is required to provide TFC with Payment and Performance Bonds as specified in Texas Government Code § 2253.001 *et seq.* as supplemented by this Section 11.1, and in such forms as are prescribed in "Exhibit I-1," and "Exhibit I-2," respectively. Such bonds shall be: (i) issued with TFC as the named obligee; and (ii) executed by a corporate surety company authorized to do business in the State of Texas with such financial standing to have a rating from A.M. Best Company (or other equivalent rating company) equal to or better than "A-" and on the approved list of sureties issued by the United States Department of Treasury and shall have a Power of Attorney attached. If the A.M. Best Company rating for a surety issuing either of said bonds falls below "B+," CMR shall replace the original bonds with bonds from a surety meeting the requirements of this Section 11.1: (i) issued in compliance with Texas Government Code § 2253.001 *et seq.*; (ii) maintained for the benefit of TFC; (iii) furnished before any Work is commenced, as stated herein; and (iv) within ten (10) days of the Effective Date of this Contract, CMR shall provide a Bid Bond in the amount of \$25,000.00. The surety for a Bid Bond shall meet the same requirements as set forth for payment and performance bonds. The Bid Bond will be issued for a period not to exceed six (6) months and will be automatically renewed unless cancelled by written notice to CMR and TFC; and received by TFC within sixty (60) calendar days prior to the applicable expiration date. If the Bid Bond is cancelled, CMR shall replace the Bid Bond, or provide other financial security under terms substantially the same as the Bid Bond and otherwise acceptable to TFC, in TFC's sole discretion, within thirty (30) calendar days of TFC's receipt of the surety's notice of cancellation, failing which, CMR shall be deemed to be in default of its obligations under and to have committed a material breach of this Contract and TFC may proceed in accordance with the provisions of UGC Section 14.3, and/or be entitled to enforce any other remedy or right TFC may have hereunder in relation to a breach of this Contract by CMR. Within ten (10) days of acceptance by TFC of a Guaranteed Maximum Price Proposal, CMR shall provide Payment and Performance Bonds on forms prescribed by TFC, "Exhibits I-1," and "Exhibit I-2," respectively, in accordance with the requirements set forth therein. The penal sum of the Payment and Performance Bonds shall be equal to the Guaranteed Maximum Price for that particular phase of and Design Package(s) for the Project. Construction will be phased or staged with different Guaranteed Maximum Prices established at different times. Bond premiums shall be charged at no more than the best rate available to CMR for a project of this magnitude, but in any event not to exceed two and a half percent (2.5%) of the respective contract amount.

11.1.3. Performance Bond Requirements. CMR shall provide Performance Bonds in the penal sum of one hundred percent (100%) of the value of the Guaranteed Maximum Price(s) established by Contract Amendment for all Design Packages comprising each of the Projects. Without limiting any other requirements or obligations of the surety, the Performance Bond shall cover CMR's warranty obligations for a period not to exceed one (1) year from the date of TFC's issuance of the Certificate of Substantial Completion, and shall include coverage for any liquidated damages for which CMR may be liable under the Contract for delay in the timely completion of the Work. Performance Bonds shall be required of each first tier Subcontractor whose Subcontract value exceeds \$250,000.00, such that each first tier Subcontractor will separately provide a performance bond for its portion of the Work, with TFC and CMR included as dual obligees. TFC shall have no obligation to pay or to reimburse to CMR for performance bond premiums for the issuance of multiple bonds from second tier subcontractors covering the same Work and obligations. Subcontractor performance bond premiums will only be reimbursed with advance written approval of TFC, after submission to TFC of a pro forma copy of the bond and a copy of the proposed premium billing from any such Subcontractor's surety to Subcontractor. In lieu of requiring Payment and Performance Bonds for first tier Subcontractors, CMR shall provide subcontractor default insurance ("SDI") to provide coverage for the default of all Subcontractors. The cost of SDI shall be reimbursable by TFC at an agreed fixed rate of 1.25% of the total value of such SDI-insured subcontracts; provided, however, if a subcontractor cannot qualify for such coverage under CMR's SDI insurance program because it is rejected by the SDI insurer, and the use of another qualified subcontractor is not possible or preferred by TFC, CMR shall require such subcontractor to provide bonding, unless excused in writing by TFC.

11.1.4. Payment Bond Requirements. CMR shall provide Payment Bonds in the sum of one hundred percent (100%) of the value of the Guaranteed Maximum Price(s) established by Contract Amendment for all Design Packages comprising each of the Projects. TFC shall have no obligation to pay or to reimburse to CMR for any additional costs for Subcontractor payment bond premiums, which shall not be charged as a Cost of the Work. If Subcontractors provide payment bonds at no additional cost, this is acceptable to TFC.

11.1.5. Additional Security. If TFC receives notice from a third party that it has acquired by assignment the right to receive payment of CMR's receivables as they become due and payable under this Contract and CMR does not promptly remedy the notice, CMR agrees that, as a condition of its right to continue to perform additional Work under this Contract, CMR shall furnish to TFC as security for the performance of its obligations hereunder an irrevocable standby letter of credit in favor of TFC issued by a national bank in form reasonably acceptable to TFC, in an amount equal to the sum of the current unpaid balance of the Contract plus any amounts in excess thereof that may be owed to TFC as a result of CMR's delay, deficiency, or failure to perform its obligations hereunder.

11.2. Insurance Requirements. CMR shall comply with the following insurance requirements.

11.2.1. Duty to Purchase Insurance. Commencing on the Effective Date (except as otherwise provided below, with respect to Builders' Risk insurance coverage), CMR shall, at its own expense, purchase, maintain, and keep in full force and effect such lines of insurance coverage

as CMR considers necessary and adequate to protect CMR from claims, and to protect Owner and Owner Group from claims (other than claims asserting professional liability of the Owner and Owner Group or workers' compensation claims of their employees), which may arise out of or result from CMR's Services or Work, regardless of whether the Services or Work are performed by CMR, CMR Personnel, or by anyone directly or indirectly employed by any of them or by anyone for whose acts any of them may be liable, including at a minimum the minimum insurance coverages and limits stated below (or such other greater insurance coverage or limits expressly required under any other provision of the Contract Documents). 11.2.2. CMR's Duty to Review Its Insurance. CMR represents and acknowledges it has carefully reviewed its insurance program with its legal and risk advisors and believes its insurance policies comply with the insurance requirements in this Contract, and further acknowledges a continuing obligation to ensure its insurance policies remain compliant herewith. Within 48 hours of a written request by Owner, CMR shall submit in electronic form by emailing true and complete copies of such policies to TFC's Legal Services Division. The true and complete copies of all applicable insurance policies shall be submitted in a timely manner, as no contract will be executed without the receipt, review, negotiation, and TFC acceptance of the submitted policies. The policies shall include therewith a letter for each policy provided by CMR's broker, agent, or its applicable insurance carrier representative for each policy, certifying that the electronic copies of the policies as furnished are true and correct copies. Owner's review of CMR's policies of insurance shall in no way excuse CMR from any of the requirements set forth herein. In the event Owner enters into contract with CMR before any such deficiencies are resolved, Owner does not waive, but explicitly reserves, the right to bring, after: (i) the occurrence of any loss or damage for which insurance is required hereunder; or (ii) after the denial of a claim for coverage for such loss or damage, an action or Claim against CMR to recover directly from CMR any damages, including attorney's fees and other costs, Owner incurs as a result of CMR's failure to secure and maintain the insurance required hereunder. If CMR elects to self-insure or to maintain insurance required herein subject to deductibles and/or retentions exceeding the foregoing deductible amounts, CMR shall be obligated to grant Owner all rights against CMR to the same extent as if CMR had maintained the insurance required hereunder with a commercial insurer, including but not limited to additional insured status (as to liability policies other than Workers' Compensation Insurance and Professional Liability Insurance), primary and non-contributory liability, waivers of rights of recovery, other insurance clauses, and any other extensions of coverage required herein. With respect to any coverage maintained on a "claims-made" policy form, CMR shall maintain such coverage for a minimum of ten (10) years after completion of the project or termination of the Contract, whichever occurs later. Coverage under any such policy form shall include a retroactive date based on the effective date of contract for the first performance of Work or Services for the Project. CMR's purchase of an extended discovery period or an extended reporting period on a "claims-made" policy will not be sufficient to comply with CMR's obligations hereunder.

11.2.45. Insurance Required to Commence Work. Except with respect to the Builders' Risk policy (as to which Pre-Construction Services may commence prior to placement of coverage), CMR shall not commence Work or Services under this Contract until CMR has obtained all required insurance and until such insurance has been accepted by Owner's Approval. Owner's approval of CMR's insurance shall not relieve or decrease the liability of CMR hereunder. Owner shall have no duty to pay or perform under this Contract until all certificates of insurance and required insurance policies have been confirmed by Owner's advisors to comply with the requirements set forth herein. CMR's failure to fulfill these insurance requirements shall not be a basis for any adjustment to CMR's compensation or schedule. Owner reserves the right to terminate this Contract for convenience without any expense or liability in the event CMR fails to secure all insurance required herein within ten (10) days of CMR's execution of the Contract.

11.2.46. Failure to Obtain, Maintain, or Renew Insurance. If CMR fails to timely obtain, maintain, or renew the insurance required herein and to provide Owner with acceptable evidence thereof, Owner shall have the right, but not the obligation, to, among all other available remedies at law and in equity: (i) procure such insurance and reduce the amount of this Contract (or any other agreement between Owner and CMR) by the cost thereof; and/or (ii) deem as a material breach of this Contract CMR's failure to do so. Within ten (10) calendar days of any cancellation or non-renewal of any required line of insurance coverage, CMR shall provide Owner a replacement certificate of insurance with all applicable endorsements included therewith. Owner shall have the right, in its sole discretion, to suspend CMR's performance or terminate this Contract should there be a lapse in coverage at any time during this Contract. In addition to any other remedies available to Owner, Owner shall have the right, upon CMR's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, to withhold any payment(s) which become due to CMR hereunder (or under any other agreement between Owner and CMR) until CMR demonstrates compliance with the insurance requirements of the Contract. At Owner's discretion, CMR may be disqualified from eligibility to participate in any other or future projects with Owner for failure to comply with the insurance requirements herein.

11.2.47. CMR's Obligations. The insurance and insurance limits required herein shall not be deemed as a limitation on CMR's liability to perform and fulfill CMR's duties and obligations of indemnity and defense owed to any member of the Owner Group. CMR's obligations for loss or damage arising out of CMR's Services and Work or operations are not limited to the types or amounts of insurance set forth herein. Losses not covered by the insurance required hereunder shall be paid by CMR.

11.2.48. No Attorney's Fees. To the extent Applicable Law allows recovery of attorney's fees in any action or proceeding commenced to enforce the rights of any member of Owner Group as an additional insured under this Contract, CMR agrees to pay Owner as the prevailing party in any such action, in addition to any other relief granted, the actual reasonable attorney fees Owner has paid or is obligated to pay, and all costs and expenses to enforce such rights, not merely recoverable costs. This provision is independent and severable from any other provision of this Contract and shall be enforceable as a separate contractual, agreement and applies to any limited liability company entity liable to TFC under this Contract.

11.2.49. Compliance. Owner shall not be under any duty to advise CMR in the event that CMR's insurance is not in compliance with the Contract. CMR shall require all CMR Personnel to carry the types and limits of insurance coverage CMR determines to be necessary and appropriate to protect Owner and CMR from the risk of loss, taking into consideration the scope of services and work performed by each CMR Personnel. Excepting only Workers' Compensation and Professional Liability insurance policies, CMR shall cause all CMR Personnel to include Owner as an additional insured under each policy of insurance maintained by CMR Personnel. CMR will require evidence of this insurance and additional insured status to be provided by all CMR Personnel prior to their commencement of any work or services, or entering onto any Site in connection with the Project, and copies of this evidence shall be provided to Owner by CMR.

11.2.50. Policy Limits. The stated policy limits of each line of insurance coverage required herein are minimum only and it shall be CMR's responsibility to determine what policy limits in excess of such minimum limits are adequate, and the length of time each line of insurance coverage shall be maintained beyond any lengths of time set forth herein; insurance policy limits are not a limit of CMR's liability. The insurance requirements set out herein shall not be interpreted as any representation or warranty that the required insurance coverages and limits will necessarily be adequate to fully protect CMR. Unless otherwise set forth herein, CMR shall not cause or permit any required insurance to be cancelled or to lapse prior to the expiration of all common law, statutory and contractual warranty periods.

11.2.51. Erosion of Aggregate Limits. CMR shall provide Owner with thirty (30) days written notice of erosion of any aggregate limits below the minimum amounts required by the Contract.

11.2.52. TFC's Right to Review Policies. Owner reserves the right to review the insurance requirements and to require deletion, revision, and/or modification of particular policy terms, conditions, limitations, or exclusions (except where policy provisions are established by law or regulations that are binding upon Owner, CMR, or the underwriter) on any such policies when deemed necessary and prudent by Owner based upon changes in statutory law, court decisions, or the claims history of the industry and/or of CMR, provided however, such modifications must be commercially available to CMR. Owner shall make an equitable adjustment to the Contract Sum for any additional cost resulting therefrom.

11.2.53. Covenants. CMR covenants and agrees that: (i) the failure of Owner to demand certificates of insurance, or proof of compliance with the insurance requirement herein, or failure of Owner to identify a deficiency in any policy required hereunder will not be construed as a waiver of CMR's obligation to maintain the insurance required under this Contract; (ii) the insurance required under this Contract does not represent that coverage and limits will necessarily be adequate to protect CMR, nor shall the limits of coverage stated herein be deemed a limitation of CMR's liability to Owner in this Contract; and (iii) CMR may meet the required insurance coverages and limits with any combination of primary and umbrella/excess liability insurance.

11.2.54. Release and Waiver. CMR hereby waives all rights of recovery and releases, and shall cause its subconsultants and Subcontractors to release, TFC from any and all claims or causes of action whatsoever which CMR and/or Subcontractors might otherwise now or hereafter possess resulting in or from or in any way connected with any loss covered by insurance, whether required herein or not, or which should have been covered by insurance required herein, including the deductible and/or uninsured portion thereof, maintained and/or required to be maintained by CMR and/or its subconsultants or Subcontractors pursuant to the Contract. **TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE FOREGOING RELEASE AND WAIVER SHALL APPLY EVEN IF THE LOSS OR DAMAGE IS CAUSED IN WHOLE OR IN PART BY THE FAULT OR NEGLIGENCE OR STRICT LIABILITY OF TFC.**

11.2.55. Third Party Beneficiary Status. No provision of this Agreement shall confer or be construed to create any right or benefit in any third party, including any CMR Personnel or

any other entity which has assumed any of CMR's obligations hereunder, or in any way inure to the benefit of any third person (including the public at large) so as to constitute any such person a third-party beneficiary of this Contract or of any one or more of the terms hereof, or otherwise give rise to any cause of action in any person not a party hereto. CMR shall be solely responsible for all contractual obligations to CMR Personnel, and shall pay for the Services and Work of its CMR Personnel in accordance with Laws and Regulations. CMR shall, however, provide that TFC may, at its election, assume the status of a third party beneficiary to any contracts, subcontracts, consulting agreements, purchase orders and other agreements executed by CMR in connection with this Contract and/or the Project, which election may be exercised as to any such agreement by TFC's issuance of written notice of such election to the other party or parties to such agreement.

12.1.4. Provisions Solely for the Benefit of the Parties. The provisions of this indemnification are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

12.1.5. Requirement to Promptly Advise. CMR shall promptly advise TFC in writing of any claim or demand against TFC or against CMR which involves TFC and known to CMR and related to or arising out of CMR's activities under this Contract.

12.2. Historically Underutilized Businesses ("HUBs"). In accordance with state law, it is TFC's policy to assist HUBs, whenever possible, to participate in providing goods and services to the agency. TFC encourages those parties with whom it contracts for the provision of goods and services to adhere to this same philosophy in selecting Subcontractors to assist in fulfilling CMR's obligations with TFC. If CMR subcontracts with others for some or all of the services to be

performed under this Contract, CMR shall comply with all HUB requirements pursuant to Chapter 2161 of the Texas Government Code. A digital copy of the Initial Approved HUB Subcontracting Plan (“HSP”) is incorporated herein for all purposes in PDF on the Exhibit CD and named therein as “Exhibit J.” When required, CMR shall submit an updated HSP. Upon TFC approval of HSP update(s), such update(s) shall become, without further notice or action, a part of the incorporated “Exhibit J.” A digital copy of the HSP form is incorporated herein for all purposes in PDF on the Exhibits CD, and named therein as “Exhibit J-1.” Upon execution of a GMP Amendment Acceptance, an updated HSP must be approved. 12.3. Relationship of the Parties. CMR is associated with TFC only for the purposes and to the extent specified in this Contract, and with respect to performance of the contracted services pursuant to this Contract, CMR is and shall be an independent contractor. Subject only to the terms of this Contract, CMR shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. TFC has no right or obligation to control the methods and means of performing the Work except as to the obligation to ensure compliance with the Contract Documents. The divisions and sections of the Specifications and the identifications of any Drawings shall not control CMR in dividing the Work among Subcontractors or delineating the Work to be performed by any specific trade. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for TFC whatsoever with respect to the indebtedness, liabilities, and obligations of CMR or any other party. CMR shall be solely responsible for, and TFC shall have no obligation with respect to: (i) withholding of income taxes, FICA, or any other taxes or fees; (ii) industrial or workers’ compensation insurance coverage; (iii) participation in any group insurance plans available to employees of the State of Texas; (iv) participation or contributions by the State to the State Employees Retirement System; (v) accumulation of vacation leave or sick leave; or (vi) unemployment compensation coverage provided by the State.

12.4 Conflicts of Interest. CMR has been furnished a copy of, and CMR has completed and provided to TFC prior to execution of this Contract and in accordance with the requirements for the timely filing thereof under Chapter 176 of the Texas Local Government Code, true and complete answers to TFC’s Conflict of Interest Questionnaire, adopted June 29, 2007. CMR agrees to update its responses to TFC’s Conflict of Interest Questionnaire as required by Chapter 176 of the Texas Local Government Code, and TFC shall have the right at any time to require CMR to complete and furnish to TFC a current Conflict of Interest Questionnaire form, which shall be completed and furnished to TFC promptly upon TFC’s written request, failing in which TFC may terminate this Contract. CMR represents that it has advised TFC in writing of any past or present relationship or dealing with any third party, including competitors of TFC or CMR, which could or could be perceived to impair or interfere with CMR’s exercise of its independent judgment and discretion in professionally and ethically rendering of Services for the sole benefit and enjoyment of TFC under this Contract or which could cause TFC to change its evaluation of

CMR and the decision to enter into this Contract with CMR (“Conflict of Interest”). A Conflict of Interest shall also exist when, because of other undisclosed activities or relationships with third parties, TFC determines in its sole discretion that CMR is unable to render impartial assistance, advice, or Services to TFC, or CMR’s objectivity in performing the Services is or might be otherwise impaired, or when CMR gains an unfair competitive advantage or receives undisclosed profits or benefits in addition to compensation for its performance of Services under this Contract. CMR shall at all times during the performance of this Contract remain free of any obligation of any kind to any person other than TFC where such obligation may cause or require CMR to compromise or otherwise be in breach of its obligations to TFC, including without limitation its obligations with respect to proprietary rights and confidentiality and conflicts of interests. CMR has not undertaken, and during the period covered by this Contract, CMR shall not undertake any relationship with any person or entity that could give rise to such a Conflict of Interest without the prior written consent of TFC. CMR shall immediately advise TFC of any relationship that may give rise to a Conflict of Interest during the term of this Contract. If TFC becomes aware of any such relationships, through CMR’s disclosure or otherwise, TFC shall have the option to terminate this Contract in whole or in part without further liability to CMR.

12.5. No Assignment and Subcontracts. CMR shall neither assign, transfer, nor delegate any rights, obligations, or duties under this Contract without the prior written consent of TFC. Notwithstanding the foregoing, it is mutually understood and agreed that CMR may subcontract with third parties for some or all of the Construction Management Services to be performed. In any approved Subcontracts, CMR shall legally bind such Subcontractor to perform and make such Subcontractor subject to all the duties, requirements, and obligations of CMR specified herein. Nothing herein shall be construed to relieve CMR of the responsibility for ensuring that the goods delivered and/or the services rendered by CMR and/or any of its Subcontractors comply with all the terms and provisions of this Contract. CMR will provide written notification to TFC of any such Subcontractor performing work under this Contract, including the name and taxpayer identification number of Subcontractor, the task(s) being performed, and the number of Subcontractor employees expected to work on the task.

12.6. Drug-Free Work Place. CMR, CMR’s employees, and Subcontractors shall comply with the applicable provisions of the Drug-Free Work Place Act of 1988 (Public Law No. 100-690, Title V, Subtitle D; 41 U.S.C. 701 *et seq.*) and maintain a drug-free work environment; and the final rule, government-wide requirements for drug-free work place (grants), issued by the Office of Management and Budget and the Department of Defense (32 CFR Part 280, Subpart F) to implement the provisions of the Drug-Free Work Place Act of 1988 is incorporated by reference and CMR, CMR’s employees, and Subcontractors shall comply with the relevant provisions thereof, including any amendments to the final rule that may hereafter be issued.

12.7. No Smoking. All facilities where work is to be performed are nonsmoking buildings. CMR’s employees and Subcontractors are prohibited from smoking in all areas except in areas designated for smoking.

12.8. Notices. All notices, demands, and requests required in this Contract shall be in writing and shall be deemed to have been properly delivered and received: (i) three (3) business days after

deposit in a regularly maintained receptacle for the United States mail, certified mail, return receipt requested and postage prepaid; or (ii) one (1) business day after deposit with Federal Express or comparable overnight delivery service for overnight delivery with all costs prepaid. All notices, demands and requests hereunder shall be addressed as follows:

12.9.     Name and Organizational Changes. CMR must provide TFC with written notification of all name changes and organizational changes relating to CMR including, but not limited to, merger, acquisition, or sale, no later than ten (10) business days of such change. CMR, in its notice, shall describe the circumstances of the name change or organizational change, state its new name, provide the new Tax Identification Number, and describe how the change will impact its ability to perform under the Contract. If the change entails personnel changes for personnel performing the responsibility of the Contract for CMR, CMR shall identify the new personnel and provide resumes to TFC, if resumes were originally required by the solicitation. TFC may request other information about the change and its impact on the Contract and CMR shall supply the requested information within five (5) working days of receipt of the request. All written notifications of organizational change must include a detailed statement specifying the change and supporting documentation evidencing continued right of CMR or successor entity, as applicable, to maintain its status as a party to this Contract.

12.10.   Governing Law and Venue. This Contract and the rights and obligations of the parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought pursuant to this Contract shall be in a court of competent jurisdiction in Travis County, Texas. CMR hereby irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of, or

responding to, any action or proceeding in such jurisdiction with respect to this Contract or any document related hereto.

12.11. Proper Authority. The parties hereto represent and warrant that the Person executing this Contract on behalf of each party has full power and authority to enter into this Contract. CMR acknowledges that this Contract is effective for the period of time specified in the Contract. Any services performed by CMR before this Contract is effective or after it ceases to be effective are performed at the sole risk of CMR.

12.12. Force Majeure. Any delays in or failure of performance by either party, except in respect of the obligation of payments under this Contract, shall not constitute default hereunder if and to the extent such delays or failure of performance are caused solely by occurrence(s) beyond the reasonable control of the party affected, and which by the exercise of due diligence such party is unable to prevent, herein called "Force Majeure" including acts of God or the public enemy, sabotage, war, mobilization, revolution, civil unrest, riots, strikes, lockouts, fires, accidents breakdowns, or floods, earthquakes, hurricanes, or any other natural disaster, or governmental actions.

12.12.1. Notice. In any such event, the party claiming Force Majeure shall notify the other party of the Force Majeure event in writing within forty-eight (48) hours of the commencement of the Force Majeure event, and within forty-eight (48) hours of the termination of the Force Majeure event. In the event said party fails to timely provide either of the above-described notices, such failure shall constitute, without further notice or action, a waiver of the right to claim Force Majeure for such event. If possible, such notice shall set forth the extent and duration thereof.

12.12.2. Due Diligence. CMR shall exercise due diligence to prevent, eliminate, or overcome such Force Majeure event where it is possible to do so and resume performance at the earliest possible date. However, if nonperformance continues for more than thirty (30) days, TFC may terminate this Contract immediately upon written notification to CMR. Changes in the schedule or in the design or scope of the Project as a result of any Force Majeure which affect the cost of CMR's services under this Contract require approval by TFC by amendment to this Contract.

12.13. Dispute Resolution. Subject to Texas Government Code, Section 2260.002, the dispute resolution process provided for in Chapter 2260 of the Texas Government Code shall be used by the parties to attempt to resolve all disputes arising under this Contract. In accordance with the Texas Civil Practice and Remedies Code, Section 114.005, the parties agree claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code, Section 114.002 shall be governed by the following dispute resolution process.

12.13.1. Claims for Breach of Contract and Counterclaims. CMR may make a claim against TFC for breach of a contract between TFC and CMR. TFC may assert a counterclaim against CMR.

12.13.1.1. CMR must provide written notice to TFC of a claim for breach of contract not later than one hundred eighty (180) days after the date of the event giving rise to the claim. The notice must state with particularity: (i) the nature of the alleged breach; (ii) the amount CMR seeks as damages; and (iii) the legal theory of recovery.

12.13.1.2. TFC must assert, in a writing delivered to CMR, any counterclaim not later than the sixtieth (60th) day after the date of notice of a claim under Section 12.13.1.1 above.

12.13.2. Damages. The total amount of money recoverable on a claim for breach of contract under this Section 12.13 may not, after deducting the amount specified below, exceed an amount equal to the sum of: (i) the balance due and owing on the Contract price; (ii) the amount or fair market value of orders or requests for additional work made by a unit of state government to the extent that the orders or requests for additional work were actually performed; and (iii) any delay or labor-related expense incurred by CMR as a result of an action of or a failure to act by the unit of state government or a party acting under the supervision or control of the unit of state government.

12.13.2.1. Any amount owed the unit of state government for work not performed under a contract or in substantial compliance with its terms shall be deducted from the amount in Section 12.13.2 above.

12.13.2.2. Any award of damages under this Contract may not include: (i) consequential or similar damages, except delays or labor-related expenses described by Section 12.13.2 above; (ii) exemplary damages; (iii) any damages based on an unjust enrichment theory; (iv) attorney's fees; or (v) home office overhead.

12.13.3. Negotiation. TFC's general counsel shall examine the claim and any counterclaim and negotiate with CMR in an effort to resolve them. The negotiation must begin no later than one hundred twenty (120) days after the date the claim is received. TFC's administrative rules located at Title 1, Part 5, Section 111.31 of the Texas Administrative Code apply to this Contract and govern the negotiation of any dispute arising from this Contract. In the event negotiation results in the resolution of some disputed issues by agreement or in a settlement, the parties shall reduce the settlement to writing, and each party shall sign the settlement. A partial settlement or resolution of a claim does not waive a party's rights as to the parts of the claim that are not resolved.

12.13.4. Mediation. Before the one hundred twentieth (120th) day after the date the claim is filed with TFC and before the expiration of any extension of time mutually agreed upon, the parties may agree to mediate a claim made under this Contract. TFC's administrative rules located at Title 1, Part 5, Section 111.31 of the Texas Administrative Code apply to this Contract and govern the mediation of any dispute arising from this Contract.

12.13.5. Adjudication. On or after the two hundred seventieth (270th) day following the date the claim is filed with TFC, unless the parties agree in writing to an extension of time,

CMR may adjudicate any claim in accordance with and to the extent permitted under the Texas Civil Practice and Remedies Code, Chapter 114 or the Texas Government Code, Chapter 2260.

12.13.6. Payment of Claims. In accordance with the Texas Civil Practice and Remedies Code, Section 114.011, TFC may pay a claim resolved under this Section 12.13 only from money appropriated to it for payment of contract claims or for payment of the contract that is the subject of the claim. If money previously appropriated for payment of contract claims or payment of the contract is insufficient to pay the claim or settlement, the balance of the claim may be paid only from money appropriated by the legislature for payment of the claim. Chapter 304 of the Texas Finance Code applies to a judgment awarded to a claimant except that the applicable rate of interest may not exceed six percent (6%). Consistent with the Texas Civil Practice and Remedies Code, Section 114.011, property owned by the State or any unit of state government is not subject to seizure, attachment, garnishment, or any other creditors' remedy to satisfy a judgment on a breach of contract claim.

12.13.7. Representation of TFC. The Office of the Attorney General of Texas shall defend TFC in any proceeding or adjudication conducted in conjunction with a claim brought under this Section 12.13.

12.14. Legal Construction and Severability. In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision herein, and this Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein. Furthermore, in lieu of each such illegal, invalid, or unenforceable provision there shall be substituted a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid, and enforceable.

12.15. Multiple Counterparts. This Contract may be executed in any number of counterparts, each of which shall be an original, and each such counterpart shall together constitute but one and the same agreement.

12.16. Binding Effect. This Contract shall be binding upon and shall inure to the benefit of the parties hereto, their representatives, successors, and assigns.

12.17. Limitation on Authority and No Other Obligations. CMR shall have no authority to act for or on behalf of TFC or the State of Texas except as expressly provided for in this Contract; no other authority, power, or use is granted or implied. CMR may not incur any debts, obligations, expenses, or liabilities of any kind on behalf of TFC or the State of Texas.

12.18. No Waiver of Sovereign Immunity. Nothing in the Contract shall be construed as a waiver of sovereign immunity; nor constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas, TFC, or the Using Agency. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under the Contract or under applicable law

shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.

12.19. No Implied Waiver. The failure of a party to insist at any time upon the strict performance of any covenant or agreement or to exercise any option, right, power, or remedy contained in this Contract shall not be construed as a waiver or a relinquishment thereof for the future.

12.20. No Third-Party Beneficiaries. This Contract is made solely and specifically among and for the benefit of the parties named herein and the Using Agency, and their respective successors and assigns, and no other Person shall have any right, interest, or claims hereunder or be entitled to any benefits pursuant to or on account of this Contract as a third-party beneficiary or otherwise.

12.21. Further Assurances. CMR shall take such actions and execute such other and additional documents as are reasonably necessary or desirable in order to carry out the purposes and intent of this Contract.

12.22. No Presumptions for Ambiguities. Each party hereby represents and warrants that although the initial draft of this Contract may have been prepared by one party, both parties have been given the opportunity to review this Contract with counsel of their choice, and have made additions, revisions, and amendments hereto. Therefore, each party hereby covenants and agrees that they are co-drafters of this Contract such that any ambiguities cannot be construed against any party.

12.23. Time Is of the Essence. Time is of the essence with respect to this Contract; provided however, in the event that any of the deadlines set forth herein end on a Saturday, Sunday, or legal state or federal holiday, such deadline shall automatically be extended to the next day which is not a Saturday, Sunday, or legal state or federal holiday.

12.24. Work Made for Hire. All Work shall constitute the exclusive property of TFC. All right, title and interest in and to said Work shall automatically and without further notice or action vest in TFC upon creation and shall be deemed to be a work for hire and made in the course of the services rendered pursuant to this Contract. To the extent that title to any such Work may not, by operation of law, vest in TFC, or such Work may not be considered a work made for hire, all rights, title and interest therein are hereby irrevocably and unconditionally assigned to TFC. TFC shall also have the right to obtain and to hold in its name any and all patents, copyrights, registrations or such other protection as may be appropriate to the subject matter, and any extensions and renewals thereof. CMR must give TFC and/or the State of Texas, as well as any person designated by TFC and/or the State of Texas, all assistance reasonably necessary to effectuate the intent of this section and to perfect the rights and interests defined herein without any charge or expense to TFC beyond those amounts payable to CMR for the services rendered under this Contract.

12.25. Schedule of Exhibits. The following shall be the exhibits to this Contract, digital copies of which are contained in PDF on the Exhibits CD, or will be contained on the Exhibits CD upon execution of the GMP Amendment Acceptance, and are hereby incorporated herein by reference.
