If CMR fails to implement the corrective action in the manner proposed by CMR and determined by TFC to be reasonably acceptable, such failure shall be deemed a material breach of this Contract and TFC may, without further notice, terminate this Contract for cause. In responding to any Safety Stand-Down Order, CMR's evaluation of the need for, and its plan of, corrective action shall be undertaken as an independent contractor, pursuant to Section 12.3 of this Contract and nothing herein shall be construed or interpreted to mean that TFC has assumed or agreed to assume any duty of care to the CMR Personnel, or to provide guidance or instruction as to the CMR's means and methods for managing safety as required by this Contract. The updated CMR List of Staff shall automatically become, simultaneously upon the execution of the GMP Amendment Acceptance, and without further notice, the effective CMR List of Staff, which shall replace the initial CMR List of Staff.

6.2.7.1. The “CMR Project Manager” and project superintendents must be committed to the Project on a full-time basis. TFC reserves the right to approve the appointment of the CMR Project Manager and to demand that the CMR Project Manager and the project superintendents, and any of CMR’s employees, including the project superintendents or Subcontractors, be removed and replaced if, in the sole opinion of TFC, their performance on this Project or any other Projects, is and/or was not adequate or their continued involvement with the Project will, is, or has become, detrimental to the timely and successful completion of the Project, including but not limited to, for such reasons as: (i) any past or present violation of any statute, rule, regulation, or ordinance of any city, county, the State of Texas or the United States, or any other Laws and Regulations; (ii) TFC’s reasonable belief that failure to obtain an acceptable criminal background check will occur; (iii) prior unsatisfactory performance on other TFC projects; and (iv) any other like reasons.

6.2.7.2. The CMR Project Manager and the project superintendents identified in the CMR List of Staff shall not be replaced by CMR, nor shall any other Subcontractors be engaged by CMR, unless prior written consent is obtained from TFC, which consent shall not be unreasonably withheld, conditioned, or delayed. CMR shall bear the costs associated with the replacement of any of its staff listed on the CMR List of Staff.

6.2.10. Debts or Delinquencies Owed to the State. Any payment due under this Contract may be withheld and applied toward payment of any debt that is owed to the State of Texas including, but not limited to, delinquent taxes and child support pursuant to Texas Government Code, Section 403.055.

All criminal background check forms for all of CMR's employees and Subcontractors that will initially commence any work on-site must be fully completed and submitted to TFC within fifteen (15) days of the date of the appropriate notice of award, and the process thereafter must be diligently pursued by CMR.

6.2.11.2.2. All criminal background checks must be completed before any employee or Subcontractor performs any services at the Site.

6.2.11.2.3. All criminal background checks must be accomplished by the Texas Department of Public Safety (hereinafter referred to as "DPS"), which includes fingerprint processing by an independent third-party company selected by DPS. Upon receipt of the fingerprints of CMR's employees and/or Subcontractors, DPS, or TFC, will adjudicate the results of the criminal background searches in accordance with the criteria set forth in the *Texas Facilities Commission Criminal Background Checks and Guidelines*, a digital copy of which is incorporated herein by reference for all purposes in .pdf on the Exhibits CD, and named therein as "Exhibit G." Contractor's or Subcontractor's failure to timely secure criminal background check clearance shall not be considered a legitimate delay in the Work Progress Schedule.

6.2.12. Equal Opportunity. CMR shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, age, disability, political affiliation, or religious belief. CMR shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, national origin, age, disability, political affiliation, or religious belief. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. CMR shall post in conspicuous places, available to employees or applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination subsection. CMR shall include the above provisions in all Subcontracts pertaining to the Work.

By entering into this Contract, CMR certifies and ensures that it utilizes and will continue to utilize, for the term of this Contract, the U.S. Department of Homeland Security's E-Verify system, in accordance with the U.S. Department of Homeland Security's rules, to determine the eligibility of: (i) all persons employed to perform duties within the State of Texas, during the term of the Contract; and (ii) all persons (including subcontractors) assigned by the CMR to perform work pursuant to the Contract, within the United States of America. CMR shall provide, upon request of TFC and if available, an electronic or hardcopy screenshot of the confirmation or tentative non-confirmation screen containing the E-Verify case verification number for attachment to the Form I-9 for the three (3) most recent hires that match

the criteria above, by the CMR, and CMR's subcontractors, as proof that this provision is being followed. If this certification is falsely made, the Contract may be immediately terminated, at the discretion of TFC, and at no fault to TFC, with no prior notification. CMR shall also be responsible for the costs of any re-solicitation that TFC must undertake to replace the terminated Contract. For persons not eligible for E-Verify screening, CMR (including sub-contractors) shall provide, upon request by TFC, another form of documentation of proof of eligibility to work in the United States of America.

6.2.14. No Advertising. CMR shall not advertise that it is doing business with TFC or use this Contract as any sort of marketing or sales tool without the prior written consent of TFC.

6.2.15. No Warranties by TFC. CMR ACKNOWLEDGES THAT ANY AND ALL TESTS, MAPS, REPORTS, AND DRAWINGS IN THE POSSESSION OF TFC THAT REFLECT OR DEPICT SITE BOUNDARIES, RECORDED EASEMENTS, TOPOGRAPHY, UTILITY LOCATIONS, AND OTHER SITE CONDITIONS AND/OR RESTRICTIONS WHICH MAY IMPACT THE DESIGN AND/OR CONSTRUCTION OF THE PROJECT WERE PREPARED SOLELY FOR TFC'S BENEFIT AND FOR INFORMATION ONLY PURPOSES, AND THAT CMR SHALL HAVE NO RIGHT TO RELY UPON SUCH AND THAT ANY RELIANCE THEREON SHALL BE AT CMR'S OWN RISK.

When required, CMR shall submit an updated HUB Subcontracting Plan, a digital copy of the form for which is incorporated herein by reference for all purposes in .pdf on the Exhibits CD, and named therein as “Exhibit H-1.” Upon execution of a GMP Acceptance, an updated HUB Subcontracting Plan must be approved. CMR shall provide the HUB program of TFC with pertinent details of any participation by a HUB in fulfilling the duties and obligations arising hereunder on the HUB Subcontracting Plan PAR, a digital copy of the form for which is incorporated herein by reference for all purposes in .pdf on the Exhibits CD, and named therein as “Exhibit H-2.”

12.3. Relationship of the Parties. CMR is associated with TFC only for the purposes and to the extent specified in this Contract, and with respect to performance of the contracted services pursuant to this Contract, CMR is and shall be an independent contractor. Subject only to the terms of this Contract, CMR shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. TFC has no right or obligation to control the methods and means of performing the Work except as to the obligation to ensure compliance with the Contract Documents. The divisions and sections of the Specifications and the identifications of any Drawings shall not control CMR in dividing the Work among Subcontractors or delineating the Work to be performed by any specific trade. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for TFC whatsoever with respect to the indebtedness, liabilities, and obligations of CMR or any other party. CMR shall be solely responsible for, and TFC shall have no obligation with respect to the following: (i) withholding of income taxes, FICA, or any other taxes or fees; (ii) industrial or workers’ compensation insurance coverage; (iii) participation in any group insurance plans available to employees of the State of Texas; (iv) participation or contributions by the State to the State Employees Retirement System; (v) accumulation of vacation leave or sick leave; and (vi) unemployment compensation coverage provided by the State.

12.4. No Assignment and Subcontracts. CMR shall neither assign, transfer, nor delegate any rights, obligations, or duties under this Contract without the prior written consent of TFC. Notwithstanding the foregoing, it is mutually understood and agreed that CMR may subcontract with third parties for some or all of the Construction Management Services to be performed. In any approved Subcontracts, CMR shall legally bind such Subcontractor to perform and make such Subcontractor subject to all the duties, requirements, and obligations of CMR specified herein. Nothing herein shall be construed to relieve CMR of the responsibility for ensuring that the goods delivered and/or the services rendered by CMR and/or any of its Subcontractors comply with all the terms and provisions of this Contract. CMR will provide written notification to TFC of any such Subcontractor performing work under this Contract, including the name and taxpayer identification number of Subcontractor, the task(s) being performed, and the number of Subcontractor employees expected to work on the task.

12.5. Drug-Free Work Place. CMR, CMR’s employees, and Subcontractors shall comply with the applicable provisions of the Drug-Free Work Place Act of 1988 (Public Law No. 100-690, Title V, Subtitle D; 41 U.S.C. 701 *et seq.*) and maintain a drug-free work environment; and the final rule, government-wide requirements for drug-free work place (grants), issued by the Office

of Management and Budget and the Department of Defense (32 CFR Part 280, Subpart F) to implement the provisions of the Drug-Free Work Place Act of 1988 is incorporated by reference and CMR, CMR's employees, and Subcontractors shall comply with the relevant provisions thereof, including any amendments to the final rule that may hereafter be issued.

12.6. No Smoking. All facilities where work is to be performed are nonsmoking buildings. CMR's employees and Subcontractors are prohibited from smoking in all areas except in areas designated for smoking.

12.7. Notices. All notices, demands, and requests required in this Contract shall be in writing and shall be deemed to have been properly delivered and received: (i) three (3) business days after deposit in a regularly maintained receptacle for the United States mail, certified mail, return receipt requested and postage prepaid; or (ii) one (1) business day after deposit with Federal Express or comparable overnight delivery service for overnight delivery with all costs prepaid. 12.8 Name and Organizational Changes. (1) CMR must provide TFC with written notification of all name changes and organizational changes relating to the CMR including, but not limited to, merger, acquisition, or sale, no later than ten (10) business days of such change. CMR, in its notice, shall describe the circumstances of the name change or organizational change, state its new name, provide the new Tax Identification Number, and describe how the change will impact its ability to perform under the Contract. If the change entails personnel changes for personnel performing the responsibility of the Contract for CMR, CMR shall identify the new personnel and provide resumes to TFC, if resumes were originally required by the solicitation. TFC may request other information about the change and its impact on the Contract and CMR shall supply the

requested information within five (5) working days of receipt of the request. All written notifications of organizational change must include a detailed statement specifying the change and supporting documentation evidencing continued right of CMR or successor entity, as applicable, to maintain its status as a party to this Contract.

12.9. Governing Law and Venue. This Contract and the rights and obligations of the parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought pursuant to this Contract shall be in a court of competent jurisdiction in Travis County, Texas. CMR hereby irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of, or responding to, any action or proceeding in such jurisdiction with respect to this Contract or any document related hereto.

12.10. Proper Authority. The parties hereto represent and warrant that the Person executing this Contract on behalf of each party has full power and authority to enter into this Contract. CMR acknowledges that this Contract is effective for the period of time specified in the Contract. Any services performed by CMR before this Contract is effective or after it ceases to be effective are performed at the sole risk of CMR.

12.11. Force Majeure. Any delays in or failure of performance by either party, except in respect of the obligation of payments under this Contract, shall not constitute default hereunder if and to the extent such delays or failure of performance are caused solely by occurrence(s) beyond the reasonable control of the party affected, and which by the exercise of due diligence such party is unable to prevent, herein called "Force Majeure" including acts of God or the public enemy, sabotage, war, mobilization, revolution, civil unrest, riots, strikes, lockouts, fires, accidents breakdowns, or floods, earthquakes, hurricanes, or any other natural disaster, or governmental actions.

12.11.1. Notice. In any such event, the party claiming Force Majeure shall notify the other party of the Force Majeure event in writing within forty-eight (48) hours of the commencement of the Force Majeure event, and within forty-eight (48) hours of the termination of the Force Majeure event. In the event said party fails to timely provide either of the above-described notices, such failure shall constitute, without further notice or action, a waiver of the right to claim Force Majeure for such event. If possible, such notice shall set forth the extent and duration thereof.

12.11.2. Due Diligence. CMR shall exercise due diligence to prevent, eliminate, or overcome such Force Majeure event where it is possible to do so and resume performance at the earliest possible date. However, if nonperformance continues for more than thirty (30) days, TFC may terminate this Contract immediately upon written notification to CMR. Changes in the schedule or in the design or scope of the Project as a result of any Force Majeure which affect the cost of the CMR's services under this Contract require approval by TFC by amendment to this Contract.

12.12. Dispute Resolution. Subject to Texas Government Code, Section 2260.002, the dispute resolution process provided for in Chapter 2260 of the Texas Government Code shall be used by the parties to attempt to resolve all disputes arising under this Contract. In accordance with the Texas Civil Practice and Remedies Code, Section 114.005, the parties agree claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code, Section 114.002 shall be governed by the following dispute resolution process.

12.12.1. Claims for Breach of Contract and Counterclaims. CMR may make a claim against TFC for breach of a contract between TFC and CMR. TFC may assert a counterclaim against CMR.

12.12.1.1. CMR must provide written notice to TFC of a claim for breach of contract not later than one hundred eighty (180) days after the date of the event giving rise to the claim. The notice must state with particularity: (i) the nature of the alleged breach; (ii) the amount CMR seeks as damages; and (iii) the legal theory of recovery.

12.12.1.2. TFC must assert, in a writing delivered to CMR, any counterclaim not later than the sixtieth (60th) day after the date of notice of a claim under Section 12.12.1.1 above.

12.12.2. Damages. The total amount of money recoverable on a claim for breach of contract under this Section 12.12 may not, after deducting the amount specified below, exceed an amount equal to the sum of: (i) the balance due and owing on the Contract price; (ii) the amount or fair market value of orders or requests for additional work made by a unit of state government to the extent that the orders or requests for additional work were actually performed; and (iii) any delay or labor-related expense incurred by the CMR as a result of an action of or a failure to act by the unit of state government or a party acting under the supervision or control of the unit of state government.

12.12.2.1. Any amount owed the unit of state government for work not performed under a contract or in substantial compliance with its terms shall be deducted from the amount in Section 12.12.2 above.

12.12.2.2. Any award of damages under this Contract may not include: (i) consequential or similar damages, except delays or labor-related expenses described by Section 12.12.2 above; (ii) exemplary damages; (iii) any damages based on an unjust enrichment theory; (iv) attorney's fees; or (v) home office overhead.

12.12.3. Negotiation. TFC's general counsel shall examine the claim and any counterclaim and negotiate with CMR in an effort to resolve them. The negotiation must begin no later than one hundred twenty (120) days after the date the claim is received. TFC's administrative rules located at Title 1, Part 5, Section 111.31 of the Texas Administrative Code apply to this Contract and govern the negotiation of any dispute arising from this Contract. In the event negotiation results in the resolution of some disputed issues by agreement or in a settlement, the parties shall reduce the settlement to writing, and each party shall sign the settlement. A partial

settlement or resolution of a claim does not waive a party's rights as to the parts of the claim that are not resolved.

12.12.4. Mediation. Before the one hundred twentieth (120th) day after the date the claim is filed with TFC and before the expiration of any extension of time mutually agreed upon, the parties may agree to mediate a claim made under this Contract. TFC's administrative rules located at Title 1, Part 5, Section 111.31 of the Texas Administrative Code apply to this Contract and govern the mediation of any dispute arising from this Contract.

12.12.5. Adjudication. On or after the two hundred seventieth (270th) day following the date the claim is filed with TFC, unless the parties agree in writing to an extension of time, CMR may adjudicate any claim in accordance with and to the extent permitted under the Texas Civil Practice and Remedies Code, Chapter 114 or the Texas Government Code, Chapter 2260.

12.12.6. Payment of Claims. In accordance with the Texas Civil Practice and Remedies Code, Section 114.011, TFC may pay a claim resolved under this Section 12.12 only from money appropriated to it for payment of contract claims or for payment of the contract that is the subject of the claim. If money previously appropriated for payment of contract claims or payment of the contract is insufficient to pay the claim or settlement, the balance of the claim may be paid only from money appropriated by the legislature for payment of the claim. Chapter 304 of the Texas Finance Code applies to a judgment awarded to a claimant except that the applicable rate of interest may not exceed six percent (6%). Consistent with the Texas Civil Practice and Remedies Code, Section 114.011, property owned by the State or any unit of state government is not subject to seizure, attachment, garnishment, or any other creditors' remedy to satisfy a judgment on a breach of contract claim.

12.12.7. Representation of TFC. The Office of the Attorney General of Texas shall defend TFC in any proceeding or adjudication conducted in conjunction with a claim brought under this Section 12.12.

12.13. Legal Construction and Severability. In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision herein, and this Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein. Furthermore, in lieu of each such illegal, invalid, or unenforceable provision there shall be substituted a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid, and enforceable.

12.14. Multiple Counterparts. This Contract may be executed in any number of counterparts, each of which shall be an original, and each such counterpart shall together constitute but one and the same agreement.

12.15. Binding Effect. This Contract shall be binding upon and shall inure to the benefit of the parties hereto, their representatives, successors, and assigns.

12.16. Limitation on Authority and No Other Obligations. CMR shall have no authority to act for or on behalf of TFC or the State of Texas except as expressly provided for in this Contract; no other authority, power, or use is granted or implied. CMR may not incur any debts, obligations, expenses, or liabilities of any kind on behalf of TFC or the State of Texas.

12.17. No Waiver of Sovereign Immunity. Nothing in the Contract shall be construed as a waiver of sovereign immunity; nor constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas, TFC, or the Using Agency. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.

12.18. No Implied Waiver. The failure of a party to insist at any time upon the strict performance of any covenant or agreement or to exercise any option, right, power, or remedy contained in this Contract shall not be construed as a waiver or a relinquishment thereof for the future.

12.19. No Third-Party Beneficiaries. This Contract is made solely and specifically among and for the benefit of the parties named herein and the Using Agency, and their respective successors and assigns, and no other Person shall have any right, interest, or claims hereunder or be entitled to any benefits pursuant to or on account of this Contract as a third-party beneficiary or otherwise.

12.20. Further Assurances. CMR shall take such actions and execute such other and additional documents as are reasonably necessary or desirable in order to carry out the purposes and intent of this Contract.

12.21. No Presumptions for Ambiguities. Each party hereby represents and warrants that although the initial draft of this Contract may have been prepared by one party, both parties have been given the opportunity to review this Contract with counsel of their choice, and have made additions, revisions, and amendments hereto. Therefore, each party hereby covenants and agrees that they are co-drafters of this Contract such that any ambiguities cannot be construed against any party.

12.22. Time Is of the Essence. Time is of the essence with respect to this Contract; provided however, in the event that any of the deadlines set forth herein end on a Saturday, Sunday, or legal state or federal holiday, such deadline shall automatically be extended to the next day which is not a Saturday, Sunday, or legal state or federal holiday.

12.23. Work Made for Hire. All Work shall constitute the exclusive property of TFC. All right, title and interest in and to said Work shall automatically and without further notice or action vest in TFC upon creation and shall be deemed to be a work for hire and made in the course of the services rendered pursuant to this Contract. To the extent that title to any such Work may not, by operation of law, vest in TFC, or such Work may not be considered a work made for hire, all rights, title and interest therein are hereby irrevocably and unconditionally assigned to TFC. TFC shall also have the right to obtain and to hold in its name any and all patents, copyrights, registrations or such other protection as may be appropriate to the subject matter, and any extensions and

renewals thereof. CMR must give TFC and/or the State of Texas, as well as any person designated by TFC and/or the State of Texas, all assistance reasonably necessary to effectuate the intent of this section and to perfect the rights and interests defined herein without any charge or expense to TFC beyond those amounts payable to CMR for the services rendered under this Contract.
