Criminal background checks must be accomplished by the Texas Department of Public Safety (“DPS”), which includes fingerprint processing by an independent third-party company selected by DPS. The Attachment D – HUB Subcontracting Plan shall be completed, signed and returned with the bid. As mandated by 34 Texas Administrative Code, Section 20.14, Respondents must submit an Attachment D - HUB Subcontracting Plan that identifies all subcontractors and complies with good faith effort requirements outlined in Attachment D - HUB Subcontracting Plan and in accordance with the Comptroller of Public Accounts (CPA) HUB rules in Section 20.14(d)(1)(D)(iii).

Pursuant to Texas Government Code, Section 2161.252(b), TFC shall reject any response that does not include an Attachment D - HUB Subcontracting Plan. An incomplete Attachment D - HUB Subcontracting Plan is considered a material failure to comply with the solicitation for bids.

The Attachment D – HUB Subcontracting Plan shall become an attachment to the Contract between the awarded Respondent and TFC. Upon execution of the Contract, Contractor can only change the HUB Subcontracting Plan if:

- (1) Contractor complies with 34 Texas Administrative Code, Section 20.14;
- (2) Contractor provides its proposed changes to TFC for review;
- (3) TFC approves Contractor’s proposed changes to its HUB Subcontracting Plan; and
- (4) TFC and Contractor amend their contract by submitting a revised HUB Subcontracting Plan containing the changes approved by TFC.

If TFC determines that the Contractor failed to implement its HUB Subcontracting Plan in good faith, TFC, in addition to any other remedies, may report nonperformance to the CPA in accordance with 34 Texas Administrative Code, Section 20.14(g)(5).

HUB subcontracting opportunities may be available in the following commodity class/item codes:

Class/Item	Description
031/45	Filters, Air Conditioning/Furnace (Disposable Types)

The list above is not, nor is it intended to be, a comprehensive list that identifies all subcontracting opportunities.

See Attachment D - HUB Vendor List for a list of active HUB vendors that provide the types of items and services listed above. This list is not comprehensive; additional HUB vendors can be found by searching the State’s Centralized Master Bidders List (CMBL), found at <https://mycpa.cpa.state.tx.us/tpasscmblsearch/index.jsp>.

If further assistance is needed in preparing the HUB Subcontracting Plan, potential respondents may contact Dinita Caldwell at 512-475-0453, or by email at HUB@tfc.state.tx.us.

INQUIRIES:

All inquiries shall be submitted in writing to Rico Gamino by email to rico.gamino@tfc.state.tx.us by the date listed as the deadline for submission of questions as specified in the Schedule of Events above.

All inquiries will result in written responses with copies posted to the Electronic State Business Daily (ESBD), available at <http://esbd.cpa.state.tx.us/>. If a Respondent does not have Internet access, a copy of all written responses may be obtained through the point of contact listed above. It is the responsibility of the interested parties to periodically check the ESBD for updates to the procurement prior to submitting a bid. The Respondent’s failure to periodically check the ESBD will in no way release the selected vendor from “addenda or additional information” resulting in additional costs to meet the requirements of the IFB.

Except as otherwise provided in this Section, upon issuance of this IFB, other employees and representatives of TFC will not answer questions or otherwise discuss the contents of the IFB

with any potential Respondent or its representatives. Failure to observe this restriction may result in disqualification of any subsequent response. This restriction does not preclude discussions unrelated to this IFB.

DEADLINE FOR BID SUBMISSION: All bids must be received by TFC by 3:00 PM CT, Thursday, July 31, 2015.

METHODS OF BID SUBMISSION: Each bid must be placed in a separate envelope with **bid opening date and requisition number** annotated immediately below return address on SEALED BID ENVELOPE. Fax and e-mail submissions will not be accepted.
