2. **CONTRACT TERM:** Construction is required to commence within ten (10) calendar days after the Notice to Proceed for Construction is issued. For planning purposes only, the pre-construction time period is estimated to be ninety (90) calendar days. The construction contract period is projected for a term of eight hundred (800) calendar days except as may be otherwise amended or negotiated.

This contract is contingent upon the continued availability of funding. If funds become unavailable through lack of appropriations, legislative budget cuts, amendment of the Appropriations Act, state agency consolidations, or any other disruption of current appropriations, provisions of the Termination Article in the CMR Service Contract shall apply.

By submitting qualifications in response to this RFQ, Respondent accepts the solicitation and evaluation process and acknowledges and accepts that scoring of the qualifications may involve some subjective judgments by the evaluation committee. The evaluation committee will evaluate and score each submittal based on the following criteria:

<b><u>Step 1 Criteria</u></b>	<b><u>Weight</u></b>
• <b>Experience and Qualifications</b>	<b>25%</b>
• <b>Methodology and Budget/Schedule Compliance</b>	<b>20%</b>
• <b>Quality/Safety Programs &amp; Safety Record</b>	<b>5%</b>
• <b>Litigation History</b>	<b><u>Pass/Fail</u></b>
	<b>50%</b>

<b><u>Step 2 Criteria</u></b>	<b><u>Weight</u></b>
• <b>Step 1 Criteria Evaluation Scoring</b>	<b>50%</b>
• <b>Compensation and Fees</b>	<b>50%</b>
<b>(Pre-Construction Management Fee + CM Fee + Construction General Conditions)</b>	<b><u>100%</u></b>

- 4.3 The evaluation committee may conduct an interview of the finalist(s) to make a determination for award recommendation. Scoring of the interview shall replace the scoring of the Step One criteria listed above. The following will be expected during an interview:
  - 4.3.1 One hour is allocated for the interview.
  - 4.3.2 Attendance by team members assigned to the project to represent themselves as to their relevant experience and proposed involvement in the project. Representation by the Project Manager and the Superintendent is a critical component of the interview.

- 4.3.3 An Agenda for the interview will be provided by TFC requiring an elaboration of company relevant experience, qualifications, and proposed methodology for the Project.
- 4.4 The Evaluation Committee will determine if price negotiations are necessary and may negotiate final pricing per Texas Government Code, Chapter 2269, Subchapter D, §2269.155(b), (c).

Prior work performance with TFC, and other State agencies or governmental entities which are familiar with a Respondent's performance, depending on problems encountered, may be grounds for disqualification.
- 4.6 Right to Audit: Vendor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's Office, TFC or any successor agency, to conduct an audit or investigation in connection with those funds. Vendor further agrees to cooperate fully with the above parties in the conduct of the audit or investigation, including providing all records requested. Vendor shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the vendor and the requirement to cooperate is included in any subcontract awarded.
- 4.7 Protests shall be governed by Texas Administrative Code Title 1, Administration, Part 5 Texas Facilities Commission, Chapter 111 Administration, Subchapter 1 Complaints and Dispute Resolution, §111.32 Protests/Dispute Resolution/Hearings.
