The term "Respondent" shall mean any party who responds to a solicitation for goods and services offered by TFC. The term "Vendor" shall mean the party listed as vendor on the purchase order.

II. GENERAL INSTRUCTIONS.

2.1 SOLICITATION REQUIREMENTS. Respondent shall comply with the following requirements when responding to a solicitation for goods and/or services offered by TFC.

- (a) Respondent must comply with all rules, regulations and statutes relating to purchasing in the State of Texas in addition to the requirements of this form.
- (b) Respondent shall submit the number of copies required in the manner stated in the specification or in the solicitation.
- (c) Response shall be submitted on the indicated form or in the indicated format. Response must be time stamped in TFC's Mail Room or hand delivered to the address on the solicitation before the hour and date specified for the solicitation opening unless specified otherwise. Late responses will not be considered under any circumstances once the opening has begun.
- (d) Failure to sign the solicitation will disqualify the bid. The person signing the response must have the authorization to contractually bind Respondent.
- (e) Response cannot be altered or amended after opening time. Alterations made before opening time should be initialed by Respondent or its authorized agent. No response can be withdrawn after opening time without approval by TFC based on an acceptable written reason.
- (f) The State reserves the right to accept or reject all or any part of any response, waive minor technicalities and award the response to best serve the interests of the State.

(g) If facsimile submission is acceptable per the solicitation requirements, the telephone number for FAX submission is (512) 236-6164. This is the only number that will be used for the receipt of a response. The subject line shall include the solicitation number. TFC shall not be responsible for failure of electronic equipment or operator error. Late, illegible, incomplete, or otherwise non-responsive responses will not be considered.

(h) E-mailed responses may be accepted if stated on the solicitation. E-mailed responses must be in Portable Document Format (hereinafter referred to as "PDF"), signed by Respondent and attached to the e-mail to be considered for award.

2.2 PRICING. Respondent shall comply with the following pricing requirements when responding to a solicitation for goods and/or services offered by TFC.

(a) Respondent must price per unit shown. Unit prices shall govern in the event of extension errors.

(b) Respondent must quote F.O.B. destination, freight prepaid and allowed; otherwise, Respondent must show exact delivery cost and terms.

(c) Prices are requested to be firm for TFC acceptance for thirty (30) days from opening date if the response is an invitation for bid and ninety (90) days for all other solicitations. "Discount from list" pricing is not acceptable unless requested. Cash discounts are not considered in determining an award. Cash discounts offered will be taken if earned.

(d) Proposal should give Vendor ID Number, full firm name, and address of Respondent in the response. The Vendor ID Number is the number assigned and used by the CPA to track payments.

(e) Purchases made for State use are exempt from the State Sales Tax and Federal Excise Tax; therefore, tax should not be included in the response. Tax Exemption Certificates are available upon request.

(f) Consistent and continued tie bidding could cause rejection of response by TFC and/or investigation for antitrust violations.

2.3 SPECIFICATIONS. Respondent shall carefully examine the solicitation and shall be responsible for securing any additional information from the TFC point of contact needed to gain a clear and full understanding of TFC's requirements.

(a) Any catalog brand name or manufacturer's references are descriptive only, and indicate type and quality desired. Responses including brands of like nature and quality will be considered unless advertised under Texas Government Code, Section 2155.067. If responding with other than reference specifications, the response should show manufacturer, brand or trade name, and other description or product offered. If other than brand(s) specified is offered, illustrations and complete description of product offered are requested to be made a part of the response. Failure to take exception to specifications or reference data will require Respondent to furnish specified brand names, numbers, etc.

(b) The goods furnished or services performed shall be in accordance with the specifications set forth in the solicitation and with these terms and conditions. TFC will provide clarifications of the specifications and determine the quality and acceptability of goods and products furnished or work performed. If the solicitation is for a service, TFC will determine the manner of performance, the rate of progress of the work and whether the vendor's performance of the services is acceptable.

(c) Manufacturer's standard warranty shall apply unless otherwise stated in this solicitation.

(d) Unless otherwise specified, all goods offered shall be new, unused, and of current production, including shipping and storage containers. Verbal agreements to the contrary will not be recognized.

Each sample should be marked with Respondent's name and address, and requisition number. Samples shall not be enclosed or attached to a response unless specified in the solicitation.

(g) Respondent shall include the number of days required to place material in receiving agency's designated location under normal conditions. "Delivery days" means calendar days, unless otherwise specified. Failure to state delivery time obligates Respondent to complete delivery in fourteen (14) calendar days. Unrealistic delivery promises may cause bid to be disregarded.

(h) TFC will not be bound by any oral statement or representation contrary to the written specifications of this solicitation. Any revision, clarification, or interpretations pertaining to this solicitation will be in writing and issued by TFC as an addendum. Any changes or interpretation not in an addendum will not legally bind TFC.

(a) If delay is foreseen, Vendor shall give written notice to TFC. Vendor must keep TFC advised at all times of the status of an order. (b) Delivery shall be made between 8:00 am and 4:00 pm Monday through Friday except on regularly observed State or federal holidays, unless prior approval has been obtained from TFC.

(c) Receipt of goods or services does not constitute acceptance.

If the damage is not readily apparent at the time of delivery, the goods shall be returned to the vendor at no cost to TFC. TFC reserves the right to inspect goods at a reasonable time subsequent to delivery where circumstances or conditions prevent effective inspection of the goods at the time of delivery.

2.6 INSPECTIONS AND TESTS. All goods will be subject to inspection and test by TFC. Authorized TFC personnel shall have access to supplier's place of business for the purpose of inspecting merchandise. Tests shall be performed on samples submitted with the bid or on samples taken from regular shipment. All costs shall be borne by Vendor in the event products tested fail to meet or exceed all conditions and requirements of the specification. Goods delivered and rejected in whole or in part may, at TFC's option, be returned to Vendor or held for disposition at vendor's expense. Latent defects may result in revocation of acceptance.

2.7 VENDOR PERFORMANCE. (a) TFC is required to report a vendor's performance on any purchase of \$25,000 or more from contracts administered by the agency or any other purchase made through TFC's delegated authority or a purchase made pursuant to the authority in Texas Government Code, Title 10, Subtitle D or a purchase exempt from CPA/TPASS procurement rules and procedures.

(b) Respondent's past performance will be measured based upon a classification given by the CPA rating a vendor on an A through F scale, with A being the highest grade. TFC is required to review the rating in the CPA's performance tracking system to determine whether to award a contract to a Respondent.

(c) Vendor performance information is located on the CPA website at: http://www.window.state.tx.us/procurement/prog/vendor_performance

In addition to evaluating performance through the Vendor Performance Tracking System, as authorized by Title 34, Part 1, Chapter 20, Subchapter C, Section 20.108 of the Texas Administrative Code, TFC may examine other sources of vendor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports and non-renewal of contracts. Any such investigations shall be at the sole discretion of TFC, and any negative findings, as determined by TFC, may result in non-award to the Respondent.

2.8 AWARD OF PURCHASE ORDER. A response to this solicitation is an offer to contract based upon the terms, conditions, and specifications contained herein. Responses do not become a purchase order until they are accepted by the TFC Procurement Division through issuance of a purchase order number. (g) The rights of subcontractors regarding payment are governed by Texas Property Code, Sections 53.231-53.239 when the value of a Purchase Order is less than \$25,000.00. These provisions set out the requirements for filing a valid lien on funds unpaid to Vendor as of the time of filing the claim, actions necessary to release the lien and satisfaction of such claim.

12.15 PATENT, TRADEMARK, COPYRIGHT AND OTHER INFRINGEMENT CLAIMS. Vendor shall indemnify, save and hold harmless the State of Texas from and against claims of patent, trademark, copyright, trade secret or other proprietary rights, violations or infringements arising from the State's or Vendor's use of or acquisition of any services or other items provided to the State of Texas by Vendor or otherwise to which the State of Texas has access as a result of Vendor's performance under this Purchase Order, provided that the State shall notify Vendor of any such claim within a reasonable time of the State's receiving notice of any such claim. If Vendor is notified of any claim subject to this section, Vendor shall notify TFC of such claim within five (5) business days of such notice. No settlement of any such claim shall be made by Vendor without TFC's prior written approval. Vendor shall reimburse the State of Texas for any claims, damages, losses, costs, expenses, judgments or any other amounts, including, but not limited to, attorneys' fees and court costs, arising from any such claim. Vendor shall pay all reasonable costs of the State's counsel and shall also pay costs of multiple counsels, if required to avoid conflicts of interest. Vendor represents that it has determined what licenses, patents and permits are required under this Purchase Order and has acquired all such licenses, patents and permits.

12.16 EQUAL OPPORTUNITY. Vendor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin. Vendor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, sex, religion, age, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Vendor agrees to post in conspicuous places, available to employees or applicants for employment, notices to be provided setting forth the provisions of this non-discrimination article. Vendor shall include the above provisions in all subcontractors pertaining to the work.

12.17 LIABILITY FOR TAXES. Vendor represents and warrants that it shall pay all taxes or similar amounts resulting from this Purchase Order, including, but not limited to, any federal, state, or local income, sales or excise taxes of Vendor or its employees. TFC shall not be liable for any taxes resulting from this Purchase Order.

12.18 IMMIGRATION REFORM. The Immigration Reform and Control Act of 1986, as amended, the Immigration Act of 1990, and the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, require that all employees provide proof of identity and employment eligibility

before they can work in the United States. TFC is committed to complying with all applicable immigration laws of the United States and requires compliance by its contractors and subcontractors. Vendor shall not place any employee of Vendor at a worksite, nor shall Vendor permit any employees, nor any employee of its subcontractors to perform any work on behalf of, or for the benefit of, TFC without first ensuring said employee's authorization to lawfully work in the United States.

12.19 MINIMUM WAGE RATE REQUIREMENTS. Notwithstanding any other provision of this Purchase Order, Vendor hereby represents and warrants that Vendor shall pay to each of its employees a wage not less than what is currently known as the "Federal Minimum Wage" and any increase or amendments thereto. Furthermore, Vendor shall produce proof of compliance with this provision by Vendor to TFC. TFC shall withhold payments due to Vendor until Vendor has complied with this provision. Prior to any payment being made for work satisfactorily completed and accepted, Vendor shall submit Wage Rate Affidavits with its billing documents affirming that all employees have been paid not less than the current "Federal Minimum Wage."

12.20 SEVERABILITY. If any provision contained in this Purchase Order is held to be unenforceable by a court of law or equity, this Purchase Order shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Purchase Order unenforceable.

12.21 PROPER AUTHORITY. The parties hereto represent and warrant that the person executing this Purchase Order on behalf of each party has full power and authority to enter into this Purchase Order. Vendor acknowledges Purchase Order is effective for the period of time specified in the Purchase Order. Any services performed by Vendor before this Purchase Order is effective or after it ceases to be effective are performed at the sole risk of Vendor.

12.22 LABOR ACTIVITY. If any strike, boycott, picketing, work stoppage, slowdown, or other labor activity is directed against the Vendor at TFC's facility, which results in the curtailment or discontinuation of services performed herein, TFC shall have the right during said period to employ any means legally permissible to have the work performed.

12.23 COUNTERPARTS. This Purchase Order may be executed in any number of counterparts, each of which shall be an original, and each such counterpart shall together constitute but one and the same agreement.

12.24 NO WAIVER. Nothing in this Purchase Order shall be construed as a waiver of sovereign immunity by the State of Texas. This Purchase Order shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this Purchase Order or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. TFC does not waive any privileges, rights, defenses, or immunities available to TFC by entering into this Purchase Order or by its conduct prior to or subsequent to entering into this Purchase Order.

12.25 FALSE STATEMENTS; BREACH OF REPRESENTATIONS. By signature to this Purchase Order, Vendor makes all the representations, warranties, guarantees, certifications and affirmations included in this Purchase Order. If Vendor signs this Purchase Order with a false statement or it is subsequently determined that Vendor has violated any of the representations, warranties, guarantees, certifications or affirmations included in this Purchase Order, Vendor shall be in default under this Purchase Order, and TFC may terminate or void this Purchase Order for cause and pursue other remedies available to TFC under this Purchase Order and applicable law.

12.26 ENTIRE PURCHASE ORDER & MODIFICATION. This Purchase Order and its integrated attachment(s) constitute the entire agreement of the parties and such are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Unless an integrated attachment to this Purchase Order specifically displays a mutual intent to amend a particular part of this Purchase Order, general conflicts in language between any such attachment and this Purchase Order shall be construed consistently with the terms of this Purchase Order. Unless otherwise expressly authorized by the terms of this Purchase Order, no modification, renewal, extension or amendment to this Purchase Order shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto.

1. Agreement. These terms and conditions are an integral part of Company's offer and form the basis of any agreement (the "Agreement") resulting from Company's proposal (the "Proposal") for the services (the "Services") on equipment listed in the Proposal (the "Covered Equipment"). **COMPANY'S TERMS AND CONDITIONS ARE SUBJECT TO PERIODIC CHANGE OR AMENDMENT.**

2. Acceptance. The Proposal is subject to acceptance in writing by the party to whom this offer is made or an authorized agent ("Customer") delivered to Company within 30 days from the date of the Proposal. If Customer accepts the Proposal by placing an order, without the addition of any other terms and conditions of sale or any other modification, Customer's order shall be deemed acceptance of the Proposal subject to Company's terms and conditions. If Customer's order is expressly conditioned upon the Company's acceptance or assent to terms and/or conditions other than those expressed herein, return of such order by Company with Company's terms and conditions attached or referenced serves as Company's notice of objection to Customer's terms and as Company's counter-offer to provide Services in accordance with the Proposal. If Customer does not reject or object in writing to Company within 10 days, the Company's counter-offer will be deemed accepted. Customer's acceptance of the Services by Company will in any event constitute an acceptance by Customer of Company's terms and conditions. In the case of a dispute, the applicable terms and conditions will be those in effect at the time of delivery or acceptance of the Services. This Agreement is subject to credit approval by Company. Upon disapproval of credit, Company may delay or suspend performance or, at its option, renegotiate prices and/or terms and conditions with Customer. If Company and Customer are unable to agree on such revisions, this Agreement shall be cancelled without any liability, other than Customer's obligation to pay for Services rendered by Company to the date of cancellation.

3. Cancellation by Customer Prior to Services; Refund. If Customer cancels this Agreement within (a) thirty (30) days of the date this Agreement was mailed to Customer or (b) twenty (20) days of the date this Agreement was delivered to Customer, if it was delivered at the time of sale, and no Services have been provided by Company under this Agreement, the Agreement will be void and Company will refund to Customer, or credit Customer's account, the full Service Fee of this Agreement that Customer paid to Company, if any. A ten percent (10%) penalty per month will be added to a refund that is due but is not paid or credited within forty-five (45) days after return of this Agreement to Company. Customer's right to cancel this Agreement only applies to the original owner of this Agreement and only if no Services have been provided by Company under this Agreement prior to its return to Company.

4. Cancellation by Company. This Agreement may be cancelled by Company for any reason or no reason, upon written notice from Company to Customer no later than 30 days prior to performance of any Services hereunder and Company will refund to Customer, or credit Customer's account, that part of the Service Fee attributable to Services not performed by Company. Customer shall remain liable for and shall pay to Company all amounts due for Services provided by Company and not yet paid.

5. Services Fees and Taxes. Fees for the Services (the "Service Fee(s)") shall be as set forth in the Proposal and are based on performance during regular business hours. Fees for outside Company's regular business hours and any after-hours services shall be billed separately according to the then prevailing overtime or emergency labor/labour rates. In addition to the stated Service Fee, Customer shall pay all taxes not legally required to be paid by Company or, alternatively, shall provide Company with acceptable tax exemption certificates. Customer shall pay all costs (including attorneys' fees) incurred by Company in attempting to collect amounts due.

6. Payment. Payment is due upon receipt of Company's invoice. Company reserves the right to add to any account outstanding for more than 30 days a service charge equal to the lesser of the maximum allowable legal interest rate or 1.5% of the principal amount due at the end of each month. Customer shall pay all costs (including attorneys' fees) incurred by Company in attempting to collect amounts due or otherwise enforcing these terms and conditions.

7. Customer Breach. Each of the following events or conditions shall constitute a breach by Customer and shall give Company the right, without an election of remedies, to terminate this Agreement or suspend performance by delivery of written notice: (1) Any failure by Customer to pay amounts when; or (2) any general assignment by Customer for the benefit of its creditors, or if Customer becomes bankrupt or insolvent or takes the benefit of any statute for bankrupt or insolvent debtors, or makes or proposes to make any proposal or arrangement with creditors, or if any steps are taken for the winding up or other termination of Customer or the liquidation of its assets, or if a trustee, receiver, or similar person is appointed over any of the assets or interests of Customer; (3) Any representation or warranty furnished by Customer in connection with this Agreement is false or misleading in any material respect when made; or (4) Any failure by Customer to perform or comply with any material provision of this Agreement. Customer shall be liable to the Company for all Services furnished to date and all damages sustained by Company (including lost profit and overhead).

8. Performance. Company shall perform the Services in accordance with industry standards generally applicable in the state or province where the Services are performed under similar circumstances as of the time Company performs the Services. Company is not liable for any claims, damages, losses, or expenses, arising from or related to work done by or services provided by individuals or entities that are not employed by or hired by Company. Company may refuse to perform any Services or work where working conditions could endanger property or put at risk the safety of people. Parts used for any repairs made will be those selected by Company as suitable for the repair and may be parts not manufactured by Company. Customer must reimburse Trane for services, repairs, and/or replacements performed by Trane at Customer's request beyond the scope of Services or otherwise excluded under this Agreement. The reimbursement shall be at the then prevailing applicable regular, overtime, or holiday rates for labor/labour and prices for materials. Prior to Trane performing the additional services, repairs, and/or replacements, Customer may request a separate written quote stating the work to be performed and the price to be paid by Customer for the work.

9. Customer Obligations. Customer shall: (a) provide Company reasonable and safe access to the Covered Equipment and areas where Company is to work; and (b) unless otherwise agreed by Customer and Company, at Customer's expense and before the Services begin, Customer will provide any necessary access platforms, catwalks to safely perform the Services in compliance with OSHA, state, or provincial industrial safety regulations or any other applicable industrial safety standards or guidelines.

10. Exclusions. Unless expressly included in the Proposal, the Services do not include, and Company shall not be responsible for or liable to the Customer for, any claims, losses, damages or expenses suffered by the Customer in any way connected with, relating to or arising from any of the following:

- (a) Any guarantee of room conditions or system performance;
- (b) Inspection, operation, maintenance, repair, replacement or performance of work or services outside the Services;
- (c) Damage, repairs or replacement of parts made necessary as a result of the acts or omission of Customer or any Event of Force Majeure;
- (d) Any claims, damages, losses, or expenses, arising from or related to conditions that existed in, on, or upon the premises before the effective date of this Agreement ("Pre-Existing Conditions") including, without limitation, damages, losses, or expenses involving a Pre-Existing

Condition of building envelope issues, mechanical issues, plumbing issues, and/or indoor air quality issues involving mold/mould, bacteria, microbial growth, fungi or other contaminants or airborne biological agents; and

(e) Replacement of refrigerant is excluded, unless replacement of refrigerant is expressly stated as included with the Proposal.

11. Limited Warranty. Company warrants that: (a) the material manufactured by Company and provided to the Customer in performance of the Services is free from defects in material and manufacture for a period of 12 months from the earlier of the date of equipment start-up or replacement and (b) the labor/labour portion of the Services is warranted to have been properly performed for a period of 90 days from date of completion (the "Limited Warranty"). Company obligations of equipment start-up, if any are stated in the Proposal, are coterminous with the Limited Warranty period. Defects must be reported to Company within the Limited Warranty period. Company's obligation under the Limited Warranty is limited to repairing or replacing the defective part at its option and to correcting any improperly performed labor/labour. No liability whatsoever shall attach to Company until the Services have been paid for in full. Exclusions from this Limited Warranty include claims, losses, damages, and expenses in any way connected with, related to, or arising from failure or malfunction of equipment due to the following: wear and tear; end of life failure; corrosion; erosion; deterioration; Customer's failure to follow the Company-provided maintenance plan; unauthorized or improper maintenance; unauthorized or improper parts or material; refrigerant not supplied by Trane; and modifications made by others to Company's equipment. Company shall not be obligated to pay for the cost of lost refrigerant or lost product. Some components of Company equipment may be warranted directly from the component supplier, in which case this Limited Warranty shall not apply to those components and any warranty of such components shall be the warranty given by the component supplier. Notwithstanding the foregoing, all warranties provided herein terminate upon termination or cancellation of this Agreement. Equipment, material and/or parts that are not manufactured by Company are not warranted by Company and have such warranties as may be extended by the respective manufacturer.

THE REMEDIES SET FORTH IN THIS LIMITED WARRANTY ARE THE SOLE AND EXCLUSIVE REMEDIES FOR WARRANTY CLAIMS PROVIDED BY COMPANY TO CUSTOMER UNDER THIS AGREEMENT AND ARE IN LIEU OF ALL OTHER WARRANTIES AND LIABILITIES, LIABILITIES, CONDITIONS AND REMEDIES, WHETHER IN CONTRACT, WARRANTY, STATUTE, OR TORT (INCLUDING NEGLIGENCE), EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR FITNESS FOR A PARTICULAR PURPOSE AND/OR OTHERS ARISING FROM COURSE OF DEALING OR TRADE. COMPANY EXPRESSLY DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES, ENDORSEMENTS OR CONDITIONS OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF QUALITY, FITNESS, MERCHANTABILITY, DURABILITY AND/OR OTHERS ARISING FROM COURSE OF DEALING OR TRADE OR REGARDING PREVENTION BY THE SCOPE OF SERVICES, OR ANY COMPONENT THEREOF, OF MOLD/MOULD, FUNGUS, BACTERIA, MICROBIAL GROWTH, OR ANY OTHER CONTAMINATES. COMPANY EXPRESSLY DISCLAIMS ANY LIABILITY IF THE SCOPE OF SERVICES OR ANY COMPONENT THEREOF IS USED TO PREVENT OR INHIBIT THE GROWTH OF SUCH MATERIALS. THE WARRANTY AND LIABILITY SET FORTH IN THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES AND LIABILITIES, WHETHER IN CONTRACT OR IN NEGLIGENCE, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

12. Indemnity. To the maximum extent permitted by law, Company and Customer shall indemnify and hold harmless each other from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, resulting from death or bodily injury or damage to real or personal property, to the extent caused by the negligence or misconduct of the indemnifying party, and/or its respective employees or authorized agents in connection with their activities within the scope of this Agreement. Neither party shall indemnify the other against claims, damages, expenses, or liabilities to the extent attributable to the acts or omissions of the other party or third parties. If the parties are both at fault, the obligation to indemnify shall be proportional to their relative fault. The duty to indemnify and hold harmless will continue in full force and effect, notwithstanding the expiration or early termination of this Agreement, with respect to any claims based on facts or conditions that occurred prior to expiration or termination of this Agreement.

13. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, NEITHER PARTY SHALL BE LIABLE FOR SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL LOSSES OR DAMAGES OF ANY KIND (INCLUDING WITHOUT LIMITATION REFRIGERANT LOSS, PRODUCT LOSS, LOST REVENUE OR PROFITS, OR LIABILITY TO THIRD PARTIES), OR PUNITIVE DAMAGES WHETHER BASED IN CONTRACT, WARRANTY, STATUTE, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, INDEMNITY OR ANY OTHER LEGAL THEORY OR FACTS. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, THE TOTAL AND AGGREGATE LIABILITY OF THE COMPANY TO THE CUSTOMER WITH RESPECT TO ANY AND ALL CLAIMS CONNECTED WITH, RELATED TO OR ARISING FROM THE PERFORMANCE OR NON-PERFORMANCE OF THIS AGREEMENT, WHETHER BASED IN CONTRACT, WARRANTY, STATUTE, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, INDEMNITY OR ANY OTHER LEGAL THEORY OR FACTS, SHALL NOT EXCEED THE COMPENSATION RECEIVED BY COMPANY UNDER THIS AGREEMENT. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY DAMAGES (WHETHER DIRECT OR INDIRECT) RESULTING FROM MOLD, FUNGUS, BACTERIA, MICROBIAL GROWTH, OR OTHER CONTAMINATES OR AIRBORNE BIOLOGICAL AGENTS. TO THE MAXIMUM EXTENT ALLOWED BY LAW, COMPANY SHALL NOT BE LIABLE FOR ANY OF THE FOLLOWING IN CONNECTION WITH PROVIDING THE ENERGY AND BUILDING PERFORMANCE SERVICES: INTERRUPTION, DELETION, DEFECT, DELAY IN OPERATION OR TRANSMISSION; CUSTOMER'S NETWORK SECURITY; COMPUTER VIRUS; COMMUNICATION FAILURE; THEFT OR DESTRUCTION OF DATA; GAPS IN DATA COLLECTED; AND UNAUTHORIZED ACCESS TO CUSTOMER'S DATA OR COMMUNICATIONS NETWORK.

14. Asbestos and Hazardous Materials. The Services expressly exclude any identification, abatement, cleanup, control, disposal, removal or other work connected with asbestos or other hazardous materials (collectively, "Hazardous Materials"). Should Company become aware of or suspect the presence of Hazardous Materials, Company may immediately stop work in the affected area and shall notify Customer. Customer will be responsible for taking any and all action necessary to correct the condition in accordance with all applicable laws and regulations.

Customer shall be exclusively responsible for any claims, liability, fees and penalties, and the payment thereof, arising out of or relating to any Hazardous Materials on or about the premises, not brought onto the premises by Company. Company shall be required to resume performance of the Services only when the affected area has been rendered harmless.

15. Insurance. Company agrees to maintain the following insurance during the term of the contract with limits not less than shown below and will, upon request from Customer, provide a Certificate of evidencing the following coverage:

Commercial General Liability	\$2,000,000 per occurrence

If Customer has requested to be named as an additional insured under Company's insurance policy, Company will do so but only subject to Company's manuscript additional insured endorsement under its primary Commercial General Liability policies. In no event does Company or its insurer waive its right of subrogation

16. Force Majeure. Company's duty to perform under this Agreement is contingent upon the non-occurrence of an Event of Force Majeure. If Company shall be unable to carry out any material obligation under this Agreement due to an Event of Force Majeure, this Agreement shall at Company's election (i) remain in effect but Company's obligations shall be suspended until the uncontrollable event terminates or (ii) be terminated upon ten (10) days notice to Customer, in which event Customer shall pay Company for all parts of the Services furnished to the date of termination. Except as provided below, to the maximum extent provided by law, this Agreement is made and shall be interpreted and enforced in accordance with the laws of the state or province in which the Services are performed without regard to choice of law principles which might otherwise call for the application of a different state's or province's law. Any dispute arising under or relating to this Agreement that is not disposed of by agreement shall be decided by litigation in a court of competent jurisdiction located in the state or province in which the Services are performed. Any action or suit arising out of or related to this Agreement must be commenced within one year after the cause of action has accrued. To the extent the premises are owned and/or operated by any agency of the United States Federal Government, determination of any substantive issue of law shall be according to the United States Federal common law of Government contracts as enunciated and applied by Federal judicial bodies and boards of contract appeals of the Federal Government. This Agreement contains all of the agreements, representations and understandings of the parties and supersedes all previous understandings, commitments or agreements, oral or written, related to the Services. No documents shall be incorporated herein by reference except to the extent Company is a signatory thereon. If any term or condition of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, all other terms and conditions of this Agreement will nevertheless remain in full force and effect as long as the economic or legal substance of the transaction contemplated hereby is not affected in a manner adverse to any party hereto. Customer may not assign, transfer, or convey this Agreement, or any part hereof, without the written consent of Company. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties hereto and their permitted successors and assigns. This Agreement may be executed in several counterparts, each of which when executed shall be deemed to be an original, but all together shall constitute but one and the same Agreement. A fully executed facsimile copy hereof or the several counterparts shall suffice as an original. No modifications, additions or changes may be made to this Agreement except in a writing signed by Company.
