II. GENERAL INSTRUCTIONS.

2.1 SOLICITATION REQUIREMENTS. Respondent shall comply with the following requirements when responding to a solicitation for goods and/or services offered by TFC.

- (a) Respondent must comply with all rules, regulations and statutes relating to purchasing in the State of Texas in addition to the requirements of this form.
- (b) Respondent shall submit the number of copies required in the manner stated in the specification or in the solicitation.
- (c) Response shall be submitted on the indicated form or in the indicated format. Response must be time stamped in TFC's Mail Room or hand delivered to the address on the solicitation before the hour and date specified for the solicitation opening unless specified otherwise. Late responses will not be considered under any circumstances once the opening has begun.
- (d) Failure to sign the solicitation will disqualify the bid. The person signing the response must have the authorization to contractually bind Respondent.
- (e) Response cannot be altered or amended after opening time. Alterations made before opening time should be initiated by Respondent or its authorized agent. No response can be withdrawn after opening time without approval by TFC based on an acceptable written reason.
- (f) The State reserves the right to accept or reject all or any part of any response, waive minor technicalities and award the response to best serve the interests of the State.
- (g) If facsimile submission is acceptable per the solicitation requirements, the telephone number for FAX submission is (512) 236-6164. This is the only number that will be used for the receipt of a response. The subject line shall include the solicitation number. TFC shall not be responsible for failure of electronic equipment or operator error. Late, illegible, incomplete, or otherwise non-responsive responses will not be considered.
- (h) E-mailed responses may be accepted if stated on the solicitation. E-mailed responses must be in Portable Document Format (hereinafter referred to as "PDF"), signed by Respondent and attached to the e-mail to be considered for award.

2.2 PRICING. Respondent shall comply with the following pricing requirements when responding to a solicitation for goods and/or services offered by TFC.

- (a) Respondent must price per unit shown. Unit prices shall govern in the event of extension errors.
- (b) Respondent must quote F.O.B. destination, freight prepaid and allowed; otherwise, Respondent must show exact delivery cost and terms.
- (c) Prices are requested to be firm for TFC acceptance for thirty (30) days from opening date if the response is an invitation for bid and ninety (90) days for all other solicitations. "Discount from list" pricing is not acceptable unless requested. Cash discounts are not considered in determining an award. Cash discounts offered will be taken if earned.

(d) Proposal should give Vendor ID Number, full firm name, and address of Respondent in the response. The Vendor ID Number is the number assigned and used by the CPA to track payments.

(e) Purchases made for State use are exempt from the State Sales Tax and Federal Excise Tax; therefore, tax should not be included in the response. Tax Exemption Certificates are available upon request.

(f) Consistent and continued tie bidding could cause rejection of response by TFC and/or investigation for antitrust violations.

2.3 SPECIFICATIONS. Respondent shall carefully examine the solicitation and shall be responsible for securing any additional information from the TFC point of contact needed to gain a clear and full understanding of TFC's requirements.

(a) Any catalog brand name or manufacturer's references are descriptive only, and indicate type and quality desired. Responses including brands of like nature and quality will be considered unless advertised under Texas Government Code, Section 2155.067. If responding with other than reference specifications, the response should show manufacturer, brand or trade name, and other description or product offered. If other than brand(s) specified is offered, illustrations and complete description of product offered are requested to be made a part of the response. Failure to take exception to specifications or reference data will require Respondent to furnish specified brand names, numbers, etc.

(b) The goods furnished or services performed shall be in accordance with the specifications set forth in the solicitation and with these terms and conditions. TFC will provide clarifications of the specifications and determine the quality and acceptability of goods and products furnished or work performed. If the solicitation is for a service, TFC will determine the manner of performance, the rate of progress of the work and whether the vendor's performance of the services is acceptable.

(c) Manufacturer's standard warranty shall apply unless otherwise stated in this solicitation.

(d) Unless otherwise specified, all goods offered shall be new, unused, and of current production, including shipping and storage containers. Verbal agreements to the contrary will not be recognized.

(e) All electrical items must meet all applicable OSHA standards and regulations, and bear the appropriate listing from UL, FMRC, or NEMA.

(f) Samples, when requested, must be furnished free of expense to TFC. If not destroyed in examination, samples will be returned to Respondent, on request, at Respondent's expense. Each sample should be marked with Respondent's name and address, and requisition number. Samples shall not be enclosed or attached to a response unless specified in the solicitation.

(g) Respondent shall include the number of days required to place material in receiving agency's designated location under normal conditions. "Delivery days" means calendar days, unless otherwise specified. Failure to state delivery time obligates Respondent to complete delivery in fourteen (14) calendar days. Unrealistic delivery promises may cause bid to be disregarded.

(h) TFC will not be bound by any oral statement or representation contrary to the written specifications of this solicitation. Any revision, clarification, or interpretations pertaining to this solicitation will be in writing and issued by TFC as an addendum. Any changes or interpretation not in an addendum will not legally bind TFC.

2.4 TIE BIDS. If this solicitation is an Invitation for Bid, awards will be made in accordance with Title 34 Texas Administrative Code, Part 1, Chapter 20, Subchapter C, Sections 20.36(b)(3) and 20.38 (preferences).

2.5 DELIVERY. No substitutions or cancellations will be permitted without written approval from TFC.

(a) If delay is foreseen, Vendor shall give written notice to TFC. Vendor must keep TFC advised at all times of the status of an order. Default in promised delivery, without accepted reasons, or failure to meet specifications authorizes TFC to purchase supplies elsewhere and charge the full increase, if any, in cost and handling to Vendor.

(b) Delivery shall be made between 8:00 am and 4:00 pm Monday through Friday except on regularly observed State or federal holidays, unless prior approval has been obtained from TFC.

(c) Receipt of goods or services does not constitute acceptance.

(d) Goods and materials shall be property packaged. Damaged goods and materials will not be accepted. If the damage is not readily apparent at the time of delivery, the goods shall be returned to the vendor at no cost to TFC. TFC reserves the right to inspect goods at a reasonable time subsequent to delivery where circumstances or conditions prevent effective inspection of the goods at the time of delivery.

2.6 INSPECTIONS AND TESTS. All goods will be subject to inspection and test by TFC. Authorized TFC personnel shall have access to supplier's place of business for the purpose of inspecting merchandise. Tests shall be performed on samples submitted with the bid or on samples taken from regular shipment. All costs shall be borne by Vendor in the event products tested fail to meet or exceed all conditions and requirements of the

specification. Goods delivered and rejected in whole or in part may, at TFC's option, be returned to Vendor or held for disposition at vendor's expense. Latent defects may result in revocation of acceptance.

2.7 VENDOR PERFORMANCE. (a) TFC is required to report a vendor's performance on any purchase of \$25,000 or more from contracts administered by the agency or any other purchase made through TFC's delegated authority or a purchase made pursuant to the authority in Texas Government Code, Title 10, Subtitle D or a purchase exempt from CPA/TPASS procurement rules and procedures.

(b) Respondent's past performance will be measured based upon a classification given by the CPA rating a vendor on an A through F scale, with A being the highest grade. TFC is required to review the rating in the CPA's performance tracking system to determine whether to award a contract to a Respondent.

(c) Vendor performance information is located on the CPA website at: http://www.window.state.tx.us/procurement/prog/venor_performance/

(d) TFC may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the Vendor Performance Tracking System, as authorized by Title 34, Part 1, Chapter 20, Subchapter C, Section 20.108 of the Texas Administrative Code, TFC may examine other sources of vendor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports and non-renewal of contracts. Any such investigations shall be at the sole discretion of TFC, and any negative findings, as determined by TFC, may result in non-award to the Respondent.

2.8 AWARD OF PURCHASE ORDER. A response to this solicitation is an offer to contract based upon the terms, conditions, and specifications contained herein. Responses do not become a purchase order until they are accepted by the TFC Procurement Division through issuance of a purchase order number. The Purchase Order shall be governed, construed, and interpreted under the laws of the State of Texas. The factors listed in Texas Government Code, Title 10, Subtitle D, Section 2156.007 shall also be considered in making an award.

2.9 IRREVOCABILITY OF A RESPONSE. The response is irrevocable for thirty (30) days from opening if the response is an invitation for bid and ninety (90) days for all other solicitations. This period may be extended at TFC's request with the Respondent's written agreement.
