

Betsy Schwing, Senior Internal Auditor

Betsy Schwing is an experienced audit professional that has been providing independent and objective assurance and consulting services to state agencies and health care institutions since 1995. She has lead and performed all aspects of highly advanced engagements including performance, financial, compliance and risk based audits as both an internal and an external auditor.

Before joining the Texas Facilities Commission, Betsy worked for the Texas Department of Housing and Community Affairs Office of Internal Audit, two of the University of Texas health care institutions and the Texas State Auditor's Office. In addition to performing audits and consulting engagements at TDHCA, Betsy was responsible for administration of the department's fraud, waste, and abuse hotline. She coordinated activities with external auditors. Additionally she served as a quality assurance reviewer for the internal audit function and peer organizations.
