CAPITOL MOVE 2022

February 24, 2022 | Edition 1

Providing timely information to make sure that the State employees move to the new Capitol Complex State office buildings is as easy as possible. Please share this newsletter with your co-workers.

WELCOME

Welcome to your new home at the Capitol Complex. Plans are underway to move more than 2,500 State employees into the new George H. W. Bush State Office Building (1801 Congress) and Barbara Jordan Building (1601 Congress) this summer.

The purpose of the Capitol Move 2022 Newsletter is to provide timely information to State employees moving into these facilities to make the move as easy as possible.
